## Nouvelles Et Textes Pour Rien:

**La Nouvelle II** Bernard Alluin, Yves Baudelle, 1992 Cet ouvrage complète une précédente publication La Nouvelle d'innovations transformations Ces dix études sur Proust P. Morand M. Aymé M. Arland Queneau Nimier Beckett Gracq et Tournier constituent l'une des tentatives les plus actuelles pour définir le genre de la nouvelle Elles s'adressent notamment aux candidats aux agrégations de lettres *Le livre de la semaine* Renée Lalou, 1955 Review of Samuel Beckett, Nouvelles et textes pour rien Jean Mogin, 1956 *Stories & Texts for Nothing* Samuel Beckett, 1967 Samuel Beckett Eugene

Webb, 2014-12-01 Collectively the works of Samuel Beckett winner of the 1969 Nobel Prize for Literature reveal a remarkable continuity of theme Together his writings present a particular view of life and each novel constitutes part of a larger whole

*Childhood as Memory, Myth and Metaphor* Catherine Crimp, 2017-12-02 A fascination with childhood unites the artist Louise Bourgeois 1911 2010 and the writers Samuel Beckett 1906 89 and Marcel Proust 1871 1922 But while many commentators have traced their childhood images back to memories of lived experiences there is more to their mythologies of childhood that waits to be explored They invite us to move away from familiar ideas whether psychological or biographical about what a child can represent and even what a child is The haunting child figures of Bourgeois Beckett and Proust echo each other as they show how imagining origins for a life for a work of art involves paradoxes that test the limits of our forms of expression Art meets literature profusion meets concision French meets English and images of childhood reveal new insights in this encounter between three great figures of twentieth and twenty first century culture Catherine Crimp holds a PhD from the University of Cambridge and is currently Lectrice d'anglais at the Ecole Normale Supérieure de Lyon

**Beckett Sans Frontières** Minako Okumuro, 2008 SBT A 19 features selected papers from the Borderless Beckett Beckett sans frontières Symposium held in Tokyo at Waseda University in 2006 The essays penned by eminent and young scholars from around the world examine the many ways Beckett's art crosses borders coupling reality and dream life and death as in Japanese Noh drama or transgressing distinctions between limits and limitlessness humans animals virtual bodies and stones French and English words and silence and the received frameworks of philosophy and aesthetics The highlight of the volume is the contribution by Nobel Laureate J. M. Coetzee the special guest of the Symposium His article entitled Eight Ways of Looking at Samuel Beckett introduces a variety of novel approaches to Beckett ranging from a comparative analysis of his work and Melville's *Moby Dick* to a biographical observation concerning Beckett's application for a lectureship at a South African university Other highlights include innovative essays by the plenary speakers and panelists Enoch Brater Mary Bryden Bruno Clement Steven Connor S. E. Gontarski Evelyn Grossman and Angela Moorjani and an illuminating section on Beckett's television dramas The Borderless Beckett volume renews our awareness of the admirable quality and wide range of approaches that characterize Beckett studies **Disjecta** Samuel Beckett, 2007-12-01 Beckett is a serious writer with something serious to say about the human condition and therefore one of the dozen or so writers those who are concerned

with modern man in search of his soul should read Stephen Spender The New York Times Renowned Beckett scholar Ruby Cohn has selected some of Beckett's criticisms reviews letters and other unpublished materials that shed new light on his work

**All Sturm and No Drang** Dirk van Hulle, Mark Nixon, 2007 Contains three sections Beckett and Romanticism the conference proceedings of Beckett at Reading 2006 and a collection of miscellaneous essays This title presents contributions on Beckett's attitudes toward Romantic aesthetics in general It reflects the importance of the Beckett Foundation's Archive to scholars

*Beckett and Nature* Charles Clements, Eleanor Green, James Martell, 2025-07-10 New analyses on the insightful ways in which Beckett's work actively engages with contested notions of Nature and the natural developing a radical version of modernism's main questions and insights Beckett and Nature takes its cue from contemporary developments in Beckett scholarship focused on ecocriticism posthumanism and the Anthropocene going beyond them into a questioning of the very concepts of Nature and the natural It examines one of the most unthought ontological dimensions of literature and life that symbolic space deemed natural or part of Nature appears necessary and undeniable and therefore impossible to be deconstructed In doing so the authors show that in fact this space takes on many shapes recognizing three natural dimensions criticized by Beckett bodies worlds and literatures Featuring a wide range of both Beckett's work and Beckett scholars including Jean Michel Rabat and Stanley E Gontarski Beckett and Nature offers contextualized readings of the understandings of nature and the natural throughout his decade spanning oeuvre The volume shows that part of the radicality of Beckett's writing is that through a variety of evolving techniques and strategies it questions what appears in our cultures as the most unquestionable and opens up possibilities for thinking not only what is human literature and philosophy but also gender identity and any attempt at definitions of ourselves or the world at large

**Beckett Writing Beckett** H. Porter Abbott, 2019-01-24 Suppose that before he is writing fiction before he is writing drama before he is writing any of the autonomous highly polished pieces that make up his life work Beckett is writing Beckett What follows from this In Beckett Writing Beckett H Porter Abbott argues that by the time he had written *Waiting for Godot* Beckett's art had crystallized as a life project keyed to the simultaneous action of writing and reading the self How does such an interpretive shift change the way we see the salient features of Beckett's art his extraordinary and persistent assaults on narrative his restless exploration of genres and media his attempts to exercise autocratic control over performance and publication his increasingly musical formal structures his tireless capacity to invent How moreover does this view relate to the contempt for autobiography so pervasive in Beckett's work In approaching these questions Beckett Writing Beckett seeks to redirect current discussion of such concepts as the author and originality Arguing on several widely contested fronts in Beckett criticism including such vexed issues as Beckett's postmodernism his politics and his relation to his audience Abbott develops an interpretive method grounded in the concept of autographical action The method allows Abbott to articulate the centrality of the inexhaustible strangeness of Beckett's work and to do so without robbing that strangeness of its power to surprise

**Subject Matters**

,2022-02-22 What can we currently make of the subject Under the sway of structuralism and poststructuralism critical thinking took a distinctly negative turn effectively disqualifying any form of subjectivity as a reference point in discussions of textual or literary meaning Since the mid 1970s however throughout the human sciences human agency has been restored as both a methodological principle and an ethical value a phenomenon broadly designated as the return of the subject Yet the returning subject bears the traces of its problematization The present collection of essays explores the ways in which the subject now matters both in principle and in the variety of critical approaches in authorizes Essays which are both literary and theoretical in character cover authors texts and issues in French literature from Descartes to the present A wide range of types of writing is examined from established forms such as the novel to relatively marginal and generically unsystematized discursive practices such as automatic writing and the r cit de r ve Though it shuns closure in a matter which remains ultimately elusive this book offers some account of the types of answer which remain open and of those we have learned to leave behind

*Translating Samuel Beckett around the World* José Francisco Fernández, Pascale Sardin, 2021-08-03 The global reception of Samuel Beckett raises numerous questions in which areas of the world was Beckett first translated Why were Beckett texts sometimes slow to penetrate certain cultures How were national literatures impacted by Beckett s oeuvre Translating Samuel Beckett around the World brings together leading researchers in Beckett studies to discuss these questions and explore the fate of Beckett in their own societies and national languages The current text provides ample coverage of the presence of Beckett in geographical contexts normally ignored by literary criticism and reveals unknown aspects of the 1969 Nobel Prize winner interacting with translators of his work in a number of different countries *Samuel Beckett, a Critical Study* Hugh Kenner, 1968
