Milk and Dairy Products as Functional Foods

Ara Kanekanian,2014-04-09 There continues to be strong interest within the food industry in developing new products which offer functional health benefits to the consumer The premium prices that can be charged make these added value products lucrative for manufacturers and they are also commercially popular Dairy foods are central to this

sector they are good delivery systems for functional foods yoghurts milk drinks spreads and are also rich in compounds which can be extracted and used as functional ingredients in other food types Milk and Dairy Products as Functional Foods draws together a wealth of information regarding the functional health benefits of milk and dairy products It examines the physiological role and the claimed health effects of dairy constituents such as proteins bioactive peptides conjugated linoleic acid CLA omega 3 fatty acids vitamin D and calcium These constituents have been shown to be for example anticarcinogenic anti inflammatory antihypertensive hypocholesterolemic immune modulating and antimicrobial This book examines the evidence for these claims and investigates practical approaches for utilising these attributes The book is aimed at dairy scientists and technologists in industry and academia general food scientists and technologists microbiologists and nutritionists together with all those involved in the formulation and production of functional food products **Focus On: 100 Most Popular English Male Comedians** Wikipedia contributors, **Land Grabbing in Africa** Fassil Demissie, 2017-10-02 The sign that Africa is on Sale has been appearing with regular frequency in major newspaper accounts across the world indicating that large amounts expanses of Africa s rich farmlands are being sold to transnational investors usually on long term leases at a rate not seen in decades indeed not since the colonial period Transnational and national economic actors from various business sectors oil and auto mining and forestry food and chemical bioenergy etc are eagerly acquiring or declaring their intention to acquire large areas of land on which to build maintain or extend large scale extractive and agro industrial enterprises to help secure their own food and energy needs into the future This book provides a critical appraisal of the growing phenomenon of land grabbing in Africa Far from being a technical issue associated good governance the problem of land grabbing by transnational corporation and states is a serious threat for the food security of millions of Africans and is undoubtedly one of the great challenges of our time for development on the continent The case studies illustrate that African states are also complicit in the massive land grabbing by actively participating in isolated development while excluding the local communities The case studies reveal key features that characterize how the global land grab plays out in specific localities in Africa This book was published as a special issue of African Identities **Standards of English in Higher Education** Neil Murray, 2016 A frank and critical appraisal of English language proficiency as a key issue in higher education today **Pragmatic Markers in Irish English** Carolina P. Amador-Moreno, Kevin McCafferty, Elaine Vaughan, 2015-07-15 Pragmatic Markers in Irish English offers 18 studies from the perspective of variational pragmatics by established and younger scholars with an interest in the English of Ireland Taking a broad definition of pragmatic markers PMs as items operating outside the structural limits of the clause that encode speakers intentions and interpersonal meanings this volume includes discussions of traditional PMs like sure that are strongly associated with Irish English recent globally spreading innovations like quotative like and studies of tag questions vocatives and emoticons The data sets used cover most of the existing and developing corpora of Irish English as well as historical legal depositions films advertising and

recent fiction interviews recorded conversations and blogs The authors address general issues such as what corpora of Irish English might add to the description of PMs in general the interaction of Irish and Irish English historical and contemporary uses of specific PMs and the usage of recent immigrants to Ireland

NGOs under Pressure in Partial Democracies

Chris van der Borgh, 2014-08-13 Over the past decade international human rights organizations and think tanks have expressed a growing concern that the space of civil society organizations around the world is under pressure This book examines the pressures experienced by NGOs in four partial democracies Guatemala Honduras Indonesia and the Philippines

After Ethnic Conflict Cvete Koneska, 2016-04-01 After Ethnic Conflict Policy making in Post conflict Bosnia and Herzegovina and Macedonia investigates how sensitive policy issues can be resolved in the aftermath of war by investigating how political elites interact and make decisions in ethnically divided societies Focussing on the interactions between political elites and attempts to reach agreement across ethnic lines in Bosnia and Macedonia the book examines the impact that institutional factors can have on political actors and the decisions they make Examining domestic factors and external influence in politics Cvete Koneska identifies four key drivers of post conflict cooperation cross cutting identities minority veto powers territorial autonomy and informal practices to explain inter ethnic political accommodation By looking beyond the immediate post conflict landscape created by foreign peace negotiators and aid missions to the internal political process she shows the real reasons political actors cooperate and how competing ethnic tensions are reconciled following ethnic conflict Delving deeper into specific policy areas to compare successful and unsuccessful attempts at ethnic accommodation this book explores the factors behind the different policy outcomes that sustain or undermine peace and ethnic cooperation in ethnically divided societies

Intellectual Property Law and Human Rights Paul Torremans, 2020-06-08 Intellectual Property Law and Human Rights Fourth Edition Edited by Paul L C Torremans Once regarded as a niche topic the nexus of intellectual property and human rights now lies in the eye of the storm that is today's global economy In this expanded new edition of the pre eminent work in this crucial area of legal theory and practice with nine completely new chapters well known authorities in both intellectual property law and human rights law present an in depth analysis and discussion of essential and emerging issues in the convergence of intellectual property law and human rights law The fourth edition is fully updated to address current matters as diverse as artificial intelligence climate change and biotechnological materials all centred on the relations between intellectual property and freedom of expression and the fundamental right to privacy in an intellectual property environment The contributors address such topics as the following and more the status of copyright as a fundamental right fair use transformative use and the US First Amendment intellectual property in the jurisprudence of the European Court of Human Rights freedom to receive and impart information under the EU Charter of Fundamental Rights how to mitigate the risks article 17 of Directive 2019 970 poses to freedom of expression fair dealing defences algorithmic copyright enforcement and free speech developing a right to privacy for corporations expanding the role of morality and

public policy in European patent law and ethical and religious concerns over patenting biotechnological inventions As human rights issues continue to arise in an intellectual property context practitioners academics and policymakers in both fields will continue to recognize and use this well established cornerstone work in the debate as a springboard to the future development of the ever more prominent interface of intellectual property and human rights *Devolution and Localism in England* David M. Smith,Enid Wistrich,2016-04-22 Combining historical and policy study with empirical research from a qualitative study of regional elites this book offers an original and timely insight into the progress of devolution of governance in England With particular interest in how governments have tried and continue to engage English people in sub national democratic processes while dealing with the realities of governance it uses in depth interviews with key figures from three English regions to get the inside view of how these processes are seen by the regional and local political administrative business and voluntary sector elites who have to make policies work in practice Tracing the development of decentralisation policies through regional policies up to and including the general election in 2010 and the radical shift away from regionalism to localism by the new Coalition Government thereafter the authors look in detail at some of the key policies of the incumbent Coalition Government such as City Regions and Localism and their implementation Finally they consider the implications of the existing situation and speculate on possible issues for the future Transfer of Immovables in European Private Law Luz M. Martínez Velencoso,Saki Bailey,Andrea Pradi,2017-05-25 This volume explores the law relating to the transfer of immovables in seventeen countries within Europe **Children Defending their Human Rights Under the CRC Communications Procedure** Sonja C. Grover,2014-11-03 This book considers the Optional Protocol to the Convention on the Rights of the Child on a communication procedure as a key contributor to the realization of children s Article 12 Convention on the Rights of the Child participation rights Weaknesses in the current formulation of the CRC communication procedure its first iteration since entry into force 14 April 2014 are examined and suggestions for strengthening of the mechanism in various respects considered Actual cases concerning children s fundamental human rights in various domains and brought under various international human rights mechanisms are considered as hypothetical OP3 CRC communications complaints In addition certain domestic cases brought to the highest State Court are considered as hypothetical OP3 CRC communications brought after exhaustion of domestic remedies In this way various significant weaknesses of the OP3 CRC are illustrated in a compelling meaningful case context and needed amendments highlighted Canal Dreamers Jessica M. Lepler,2025-07-10 In the 1820s there was a little known quest to unite the world by building a waterway between the Atlantic and Pacific Oceans As Spanish American nations declared independence and new canals intensified US expansion and British industrialization many imagined the construction of an interoceanic canal as predestined With dreams substituting for data an international cast of politicians lawyers philosophers and capitalists sent competing agents on a race to transform Lake Nicaragua the San Juan River and the terra incognita of Central American forests into the world s first

global waterway Jessica M Lepler tells the captivating story of this global journey in *Canal Dreamers* Although the idea of literally changing the world by connecting the oceans proved too revolutionary for the Age of Revolution the quest itself changed history Canal dreams prompted political transformations financial crisis recognition of new countries concern about climate change and more Full of adventure corruption far reaching consequences and present day parallels Lepler s absorbing narrative cuts through two centuries revealing that dreams do not need to come true to make history

Territorial Cohesion in Rural Europe Andrew K. Copus, Philomena de Lima, 2014-08-13 This book reflects on how the economies social characteristics ways of life and global relationships of rural areas of Europe have changed in recent years This reveals a need to refresh the concepts we use to understand measure and describe rural communities and their development potential This book argues that Europe has outgrown many of the stereotypes usually associated with it with substantial implications for European Rural Policy Rural structural change and its evolving geography are portrayed through regional typologies and the concept of the New Rural Economy Demographic change migration business networks and agricultural restructuring are each explored in greater detail Implications for equality and social exclusion and recent developments in the field of governance are also considered Despite being a subject of active debate interventions in the fields of rural and regional development have failed to adapt to changing realities and have become increasingly polarized This book argues that rural regional policy needs to evolve in order to address the current complex reality partially reformulating territorial or place based approaches and the New Rural Paradigm following a set of principles termed Rural Cohesion Policy

Democracy in Central Asia Mariya Y. Omelicheva, 2015-07-21 Promoting democracy has long been a priority of Western foreign policy In practice however international attempts to expand representative forms of government have been inconsistent and are often perceived in the West to have been failures The states
