Pisteuo! Connecting with God's Heart Carolyn-Elizabeth Roehrig,2014-11-20 What you surrender to is what will conquer you Most of us have surrendered too many times to insecurity anxiety and impurity Carolyn Elizabeth empathizes Been there done that and tenderly calls you to a new place and a new surrender Come Oh please come join me Im surrendering to faith and hope Openly she reveals the freedom she has found in the surrender Deeply human and deeply spiritual PISTEUO Connecting with Gods Heart The Devotional is written in the fluid style her readers have come to expect is illustrated with watercolor paintings that flow from her heart onto her canvas and is sprinkled with songs that bubble with joy and bathe with peace Pisteuo is a gift to live and a way of life that will change you Live it fully intentionally and slowly It will take your breath away *Stories, Senses and the Charismatic Relation* Jamie Barnes,2020-10-13 Stories Senses and the Charismatic Relation offers a uniquely intimate and auto ethnographic exploration of Christian experience rendering a deep phenomenological account of how devotional worlds become real how they are experienced shaped constituted and performed by those who live them The book starts from a reflexive exploration of the author s own experiences of the divine considers the spiritual journeys of family members and the spiritual community of which he was a part and draws on ethnographic fieldwork in the southern Balkans where that community was based Jamie Barnes considers three main elements firstly the role that sensory aspects of experience play in constituting one s lived world and one s ideas about the kinds of beings inhabiting it secondly how stories and metaphors are tactically employed not only in the process of expressing aspects of past experience but also in shaping and forming both desired worlds and future pathways thirdly how such sensed narrated and lived worlds are tentatively held together in hope trust and love through charismatic relationships of devotion with a divine Other This unusual and innovative ethnography offers a unique and reflexive view from within the world of Christian experience **Baptism** Jim Petty,Miles Cotham,2022-11-11 In this study Jim Petty and Miles Cotham have made a thorough analysis of the biblical passages concerning the purpose of baptism particularly as it relates to holiness and forgiveness The authors have looked beyond the traditional church dogmas to discover and restore the beauty and significance of the baptismal event As the doctrine of baptism is wound and entwined through other doctrines taught in the New Testament a tapestry of salvation emerges in which each doctrine is dependent on and complimentary to the others Following a careful examination of the meaning of holiness the authors have demonstrated its close affinity to baptism as seen in the practice of baptism by John the Baptist and Jesus in the preaching of the early church and in the writings of the New Testament letters In the appendix the study concludes with a selected list of quotations throughout the history of the church that includes various interpretations of the purpose of baptism Perkin Warbeck's Notebook Duke T. Gray,2022-11-07 This is a personal narrative about growing It is also about growing up which does not necessarily follow Some grow in wisdom some grow in foolishness some grow in the grace of God Some only grow old without much else The

tale it tells touches three centuries the nineteenth the twentieth and the twenty first May it bless you and cheer your journey through this mortal life

LIONHEART Carl G.M. Joseph Th.D., 2025-08-08 There is no sadder epitaph than I never became what I might have been In truth most people never discover their true purpose because it can only be found in the mind of the Creator Communing with the Creator is the key to manifest destiny yet so few lions take the time For years now the Lions Unchained Podcast has challenged believers to unleash their God given destiny Many lions are caught up in the demands of the day to day scouring the savanna chasing down warthogs or taking care of the cubs Consequently purposeful living becomes an afterthought and the grind becomes the norm The purpose of this book is to activate God's call on your life and equip you to do so by revealing five key concepts which are foundational for Christian success No matter where you are in life it is never too late as far as God's concerned It is time to unleash the warrior within

Encouragement from the Psalms Dr. B, 2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his

soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord Treasures in Ink Tisha Todd,2017-06-28 Penned inside the pages of Treasures in Ink one will see just a part of the laughter the tears and the road traveled with a young woman and her family It has touching stories and many life lessons that will touch your heart bring you joy and maybe even a few tears In Treasures in Ink one can actually find inspiration in a can of chocolate fudge and marvel at the wisdom that comes from two donkeys and how they were used to teach valuable lessons Treasures in Ink is just what it saystreasures to be uncovered once again and dusted off Enjoy the beauty of each treasure remembering the time and place he spoke into your heart and you held each one close and after a while tucked them back inside for safekeeping thankful and humbled that just walking a journey with the one that created you and sought you for his own was a treasure all its own **Saviors** Robert Wahler,2009-12-29 For nearly two thousand years a man called Jesus Christ has dominated the religious landscape of the Western World Now with the discovery of a corpus of ancient manuscripts from the desert sands of the Middle East and a fresh look at the New Testament Gospels a new understanding of his rightful place in history and that of his remarkable family has emerged In his own words Jesus tells us his was a ministry limited in time and place to those who could see him and hear him a ministry of personal non sacrificial mystic salvation meant only for those alive when he was the salvation of others being the responsibility of others like him In words of undeniable clarity Jesus indicates he wasn t alone in coming here as Savior His cousin John the Baptist and his brother James the Just are shown to be Masters of the Highest Order predecessor and successor respectively to Jesus Amazingly possible evidence for two more brothers of like stature is revealed Newly discovered ancient manuscripts recovered from caves on the Dead Sea at Qumran and from the desert sands at Nag Hammadi near the Nile River lend an authority and authenticity unrivaled by even the Bible itself in support of this new view of Messianism The heart and soul of Christianity itself comes up for a full and honest examination when the self proclaimed thirteenth apostle of Christ Paul is conclusively shown almost unbelievably by Jesus himself to be the perpetrator of the greatest fraud in the history of mankind the false doctrine of universal sacrificial atonement through the shed blood of Jesus Christ All this is aided and abetted by a centuries long history of scribal and ecclesiastical corruption both intentional and unintentional It is time now for the world community to acknowledge this demonstrable certainty and harmonize the religious history of the Middle East with that of the Far East
