How to Start a Home-based Computer Repair Business Ryan Arter, 2013-07-02 Business News Daily sees a new segment emerging in this field. The new trend is tablet repair. They rank this in their top home based ideas for 2012. Also worth noting is that Computer Maintenance topped their list of new home based jobs on the rise and this covers anti virus software installation and desktop cleanups. A very large segment of business that will be covered in this book on how to start a home based computer repair business and will also include cell phones which will give the book a larger appeal and set it apart from its competition
Maintenance Organization and Systems Anthony Kelly, 1997-09-08 The profitability of any industry in any technological sector power process manufacturing mineral extraction transport communication etc will be profoundly influenced by the reliability and performance of the plant which it uses. It is therefore vital that all possible measures are taken to maximise the productivity in use and to minimise the maintenance costs and the downtime of that plant. This book explains in a clear and concise manner the various organization structures that are needed for doing just that: the information systems with which those structures will need to be resourced and the steps that will have to be taken in order to bring those structures and systems into being. The author Anthony Kelly, an experienced international consultant and lecturer on this subject, calls his approach BUSINESS CENTRED MAINTENANCE (BCM) because it springs from and is driven by the identification of business objectives which are then translated into maintenance objectives and which underpin the maintenance strategy formulation. For the first time maintenance management is analysed from the perspective of the whole company and thus makes sense not only technologically but also in economic and business terms. Complete guide to maintenance from a whole company perspective. Best selling and world renowned author. Complementary to RCM Moubay TPM Wilmott
