Now she peruses recipe books from celebrity chefs as well as watches their cooking shows. This fascination for good food and cooking has led the author to collect several recipes both from friends and herself, perfect them, and share them with any one else who may be interested in quick, simple, and easy-to-follow recipes for savory and satisfying dishes. The book *Peggy's Carolina Recipes* contains several recipes that cover a wide range of dishes, including cookies, cakes, pies, and main dishes, including seafood and vegetable dishes.

Scarf Maven Ties One On Terri Kane, 2015-03-06 Gee, it must be fun to have a scarf business on V-Cart. Terri heard this for years from friends, family, and acquaintances, and now she has decided to tell you how much fun it really is to sell vintage scarves online and be known as Scarf Maven. Terri and her husband Mike run the company and often work long days and nights from their home, dubbed the Paisley Palace. Rewarding, sure, but it's also tedious and frustrating, especially when there is little separation between work and a personal life. But the truth is, yes, it's a lot of fun. Their lives haven't always been charmed, but Terri and Mike manage to have a few laughs along the way. This humorous memoir follows Terri's journey in the vintage scarf world of online selling, with glimpses at past endeavors that taught her all she knows about business, fashion, and life.

Around the World Vegan Style Nancy Robinson, 2009-04. Despite the Western diet high in meat and dairy products, much of the rest of the world has traditionally followed a primarily or entirely vegetarian diet. Tragically, there has been a dramatic transition in the latter as world meat production has increased about 10 times the world population growth rate in just a few decades. I have witnessed the transition to a diet high in animal products in places as beautiful as Micronesia and sub-Saharan Africa, where diseases such as diabetes and heart disease have just begun to rear their ugly heads. This grave trend also multiplies the devastating consequences for the environment worldwide and for the countless billions of animals killed each year for food: 10 billion land animals and 10 billion sea animals in the United States alone. Many of us wonder what steps we can take to make a difference in the world. Here, the answer is simple: Following a vegan diet is the first and foremost step to improve the condition of the environment, human health, and the lives of animals. *Around the World Vegan Style* tells you how and why. Hope Ferdowsian, M.D., M.P.H. In *Around the World Vegan Style*, Nancy Robinson unites all people of the globe through a single common bond: the love of delicious food. In its pages, you'll find authentic recipes, all free of animal products, and featuring chefs' specialties, all sure to please your palate and increase your appreciation for global cuisine.
