Being the only humans allowed within the Territory, Kate's family has learned to adapt to the pack's strict rules for the family's protection against the unknown enemy. Kate's only solace from the strange life of the pack is the time she spends running on the beach at the edge of Shady Coast Territory. But with that solace comes a price, and the only thing keeping her away from the same fate as her father and the pack's Alpha is the one person she should be most afraid of: the gorgeous but formidable Regent Alpha Beau Maddox. He's the last person she wants to trust, but the first person she needs to if she chooses to submit to her own fate, her fated mate. But as luck would have it, she's not free to make that choice without hurting someone else, and Kate must decide if her heart or her fate will win in the end before her luck runs out.

Wild Alpha: Books 1-4

Zola Bird, *WILD ALPHA The Complete Series Books 1-4* These bears are built for two things: Speed and Steam. And you're guaranteed both if you hop on board Wild Alpha. Auto is a family-run exotic car dealership located high in the mountains of an Idaho resort town. The local bear population skis in the winter, drives fast in the summer, and makes love all year round. What they don't do is compromise. Because when these bears identify their mate, they go out and get her regardless of the cost. The series begins with *First Bear*, a tale of what happens when the prodigal bear returns home to the girl he left behind. The stakes are then upped in *Fast Bear* when the black sheep of the family comes back to Wild Summit, and then *Faster Bear* when criminal activity is uncovered at the dealership. Ultimately, the series speeds to a conclusion with *Fast and Furious Bears* in a street racing finale that literally lights up the night. Each book is a stand-alone that leads into the next, and each book is as hot as the bears and cars that race through its pages. So if brawny shifters and exotic vehicles aren't your thing,

you may want to cover your eyes But if you appreciate a little speed with your romance then download the series settle in and get ready for more than one long steamy night A Note to the Reader Wild Alpha stories contain hot sexy Alpha love In addition to steamy lovemaking they also contain some adult language If sizzling bear shifters and their curvy BBW mates aren't your thing you may want to skip this book But if you're a curvy girl who likes her leading men strong and her action scorching hot enjoy
