Russian Magic Tales From Pushkin To Platonov:

Russian Magic Tales from Pushkin to Platonov, 2012-12-06 She turned into a frog into a lizard into all kinds of other reptiles and then into a spindle In these tales young women go on long and difficult quests wicked stepmothers turn children into geese and tsars ask dangerous riddles with help or hindrance from magical dolls cannibal witches talking skulls stolen wives and brothers disguised as wise birds Half the tales here are true oral tales collected by folklorists during the last two centuries while the others are reworkings of oral tales by four great Russian writers Alexander Pushkin Nadezhda Teffi Pavel Bazhov and Andrey Platonov In his introduction to these new translations Robert Chandler writes about the primitive magic inherent in these tales and the taboos around them while in the afterword Sibelan Forrester discusses the witch Baba Yaga This edition also includes an appendix bibliography and notes Translated by Robert Chandler and Elizabeth Chandler With Sibelan Forrester Anna Gunin and Olga Meerson Chevengur Andrey Platonov, 2024-01-02 A sort of Soviet Don Quixote this novel about a craftsman who wanders the U S S R hoping to ease human misery with his inventions is considered one of the most important novels of the Soviet era and is now available in its full version in English for the first time Chevengur is a revolutionary novel about revolutionary ardor and despair Zakhar Pavlovich comes from a world of traditional crafts to work as a train mechanic motivated by his belief in the transformative power of industry His adopted son Sasha Dvanov embraces revolution which will transform everything the words we speak and the lives we live souls and bodies the soil underfoot and the sun overhead Seeking communism Dvanov joins up with Stepan Kopionkin a warrior for the cause whose steed is the fearsome cart horse Strength of the Proletariat Together they cross the steppe encountering counterrevolutionaries desperados and visionaries of all kinds At last they reach the isolated town of Chevengur There communism is believed to have been achieved because everything that is not communism has been eliminated And yet even in Chevengur the revolution recedes from sight Comic ironic grotesque disturbingly poetic in its use of language and profoundly sorrowful Chevengur here published in a new English translation based on the most authoritative Russian text is the most ambitious of the extraordinary novels that the great Andrey Platonov wrote in the 1920s and 1930s when Soviet Russia was moving from revolutionary euphoria to state terror Happy Moscow Andrey Platonov, 2012-11-13 An NYRB Classics Original Moscow Chestnova is a bold and glamorous girl a beautiful parachutist who grew up with the Revolution As an orphan she knew tough times but things are changing now Comrade Stalin has proclaimed that Life has become better Life has become merrier and Moscow herself is poised to join the Soviet elite But her ambitions are thwarted when a freak accident propels her flaming from the sky A new stranger life begins Moscow drifts from man to man through dance halls all night diners and laboratories in which the secret of immortality is actively being investigated exploring the endless avenues and vacant spaces of the great city whose name she bears looking for happiness somewhere still Unpublishable during Platonov's lifetime Happy Moscow first appeared in Russian only in 1991 This new edition contains not only a revised translation of Happy

Moscow but several related works a screenplay a prescient essay about ecological catastrophe and two short stories in which same characters reappear and the reader sees the mind of an extraordinary writer at work [An Armenian Sketchbook](#) Vasily Grossman,2013-02-19 An NYRB Classics Original Few writers had to confront as many of the last century's mass tragedies as Vasily Grossman who wrote with terrifying clarity about the Shoah the Battle of Stalingrad and the Terror Famine in the Ukraine An Armenian Sketchbook however shows us a very different Grossman notable for his tenderness warmth and sense of fun After the Soviet government confiscated or as Grossman always put it arrested Life and Fate he took on the task of revising a literal Russian translation of a long Armenian novel The novel was of little interest to him but he needed money and was evidently glad of an excuse to travel to Armenia An Armenian Sketchbook is his account of the two months he spent there This is by far the most personal and intimate of Grossman's works endowed with an air of absolute spontaneity as though he is simply chatting to the reader about his impressions of Armenia its mountains its ancient churches its people while also examining his own thoughts and moods A wonderfully human account of travel to a faraway place An Armenian Sketchbook also has the vivid appeal of a self portrait

The Captain's Daughter Alexander Pushkin,2014-09-02 This classic of Russian literature plunges readers into a fascinating moment in military history as it follows an unforgettable cast of characters during the Pugachev Rebellion Time has done nothing to dull the excitement of the story The New York Times Alexander Pushkin's short novel is set during the reign of Catherine the Great when the Cossacks rose up in rebellion against the Russian empress Presented as the memoir of Pyotr Grinyov a nobleman The Captain's Daughter tells how as a feckless youth and fledgling officer Grinyov was sent from St Petersburg to serve in faraway southern Russia Traveling to take up this new post Grinyov loses his shirt gambling and then loses his way in a terrible snowstorm only to be guided to safety by a mysterious peasant With impulsive gratitude Grinyov hands over his fur coat to his savior never mind the cold Soon after he arrives at Fort Belogorsk Grinyov falls in love with Masha the beautiful young daughter of his captain Then Pugachev leader of the Cossack rebellion surrounds the fort Resistance he has made it clear will be met with death At once a fairy tale and a thrilling historical novel this singularly Russian work of the imagination is also a timeless universal and very winning story of how love and duty can summon pluck and luck to confront calamity

The Penguin Book of Russian Poetry Robert Chandler,Irina Mashinski,Boris Dralyuk,2015-02-26 An enchanting collection of the very best of Russian poetry edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski In the late eighteenth and early nineteenth centuries poetry's pre eminence in Russia was unchallenged with Pushkin and his contemporaries ushering in the Golden Age of Russian literature Prose briefly gained the high ground in the second half of the nineteenth century but poetry again became dominant in the Silver Age the early twentieth century when belief in reason and progress yielded once more to a more magical view of the world During the Soviet era poetry became a dangerous subversive activity nevertheless poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors This

anthology traces Russian poetry from its Golden Age to the modern era including work by several great poets Georgy Ivanov and Varlam Shalamov among them in captivating modern translations by Robert Chandler and others The volume also includes a general introduction chronology and individual introductions to each poet Robert Chandler is an acclaimed poet and translator His many translations from Russian include works by Aleksandr Pushkin Nikolay Leskov Vasily Grossman and Andrey Platonov while his anthologies of Russian Short Stories from Pushkin to Buida and Russian Magic Tales are both published in Penguin Classics Irina Mashinski is a bilingual poet and co founder of the StoSvet literary project Her most recent collection is 2013 s Ophelia i masterok Ophelia and the Trowel Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian including most recently Isaac Babel s Red Cavalry 2014 *Slav Sisters* Natasha Perova, 2020-04-30 This anthology illustrates the evolution of Russian women s writing over the 20th century It wasn t until the 1900s that women authors finally made a notable breakthrough on the Russian literary scene Despite a brilliant start further development of women s writing in Russia was crudely interrupted by Soviet censorship and only resumed after the downfall of the USSR Whereas critics unanimously recognise the greatness of such literary stars as Anna Akhmatova and Marina Tsvetayeva opinions differ about other writers such as Nadezhda Teffi and Lydia Ginzburg who reached wide readerships only in the 1990s when most of the formerly banned books were published Mid century women were almost invisible in Russian literature but world famous authors like Ludmila Ulitskaya Galina Scherbakova and Svetlana Alexiyevich were still writing Latterly women writers such as Olga Slavnikova Irina Muravyova and Margarita Khemlin increasingly dominated publishing programmes **Peter the Great's African** Alexander Pushkin, 2022-04-12 Newly translated unfinished works about power class conflict and artistic inspiration by Russia s greatest poet Alexander Pushkin Russia s foundational writer was constantly experimenting with new genres and this fresh selection ushers readers into his creative laboratory Politics and history weighed heavily on Pushkin s imagination and in Peter the Great s African he depicts the Tsar through the eyes of one of his closest confidantes Ibrahim a former slave modeled on Pushkin s maternal great grandfather At once outsider and insider Ibrahim offers a sympathetic yet questioning view of Peter s attempt to integrate his vast archaic empire into Europe In the witty History of the Village of Goriukhino Pushkin employs parody and self parody to explore problems of writing history while Dubrovsky is both a gripping adventure story and a vivid picture of provincial Russia in the late eighteenth century with its class conflicts ready to boil over in violence The Egyptian Nights an effervescent mixture of prose and poetry reflects on the nature of artistic inspiration and the problem of the poet s place in a rapidly changing and ever more commercialized society **Molecular Red** McKenzie Wark, 2015-04-21 In Molecular Red McKenzie Wark creates philosophical tools for the Anthropocene our new planetary epoch in which human and natural forces are so entwined that the future of one determines that of the other Wark explores the implications of Anthropocene through the story of two empires the Soviet and then the American The fall of the former prefigures that of the latter From the ruins

of these mighty histories Wark salvages ideas to help us picture what kind of worlds collective labor might yet build From the Russian revolution Wark unearths the work of Alexander Bogdanov Lenin s rival as well as the great Proletkult writer and engineer Andrey Platonov The Soviet experiment emerges from the past as an allegory for the new organizational challenges of our time From deep within the Californian military entertainment complex Wark retrieves Donna Haraway s cyborg critique and science fiction writer Kim Stanley Robinson s Martian utopia as powerful resources for rethinking and remaking the world that climate change has wrought Molecular Red proposes an alternative realism where hope is found in what remains and endures

The Complete Folktales of A. N. Afanas'ev, Volume II Jack V. Haney, 2015-10-06 Up to now there has been no complete English language version of the Russian folktales of A N Afanas ev This translation is based on L G Barag and N V Novikov s edition widely regarded as the authoritative Russian language edition The present edition includes commentaries to each tale as well as its international classification number This second volume of 140 tales continues the work started in Volume I also published by University Press of Mississippi A third planned volume will complete the first English language set The folktales of A N Afanas ev represent the largest single collection of folktales in any European language and perhaps in the world Widely regarded as the Russian Grimm Afanas ev collected folktales from throughout the Russian Empire in what are now regarded as the three East Slavic languages Byelorussian Russian and Ukrainian The result of his own collecting the collecting of friends and correspondents and in a few cases his publishing of works from earlier and forgotten collections is truly phenomenal In his lifetime Afanas ev published more than 575 tales in his most popular and best known work Narodnye russkie skazki In addition to this basic collection he prepared a volume of Russian legends many on religious themes a collection of mildly obscene tales Russkie zavetnye skazki and voluminous writings on Slavic folk life and mythology His works were subject to the strict censorship of ecclesiastical and state authorities that lasted until the demise of the Soviet Union in the 1990s Overwhelmingly his particular emendations were stylistic while those of the censors mostly concerned content The censored tales are generally not included in this volume

Whispering the Secrets of Language: An Emotional Quest through **Russian Magic Tales From Pushkin To Platonov**

In a digitally-driven world wherever displays reign great and quick interaction drowns out the subtleties of language, the profound strategies and emotional nuances concealed within phrases often move unheard. Yet, located within the pages of **Russian Magic Tales From Pushkin To Platonov** a captivating literary treasure pulsating with organic feelings, lies an exceptional quest waiting to be undertaken. Penned by a skilled wordsmith, this marvelous opus encourages visitors on an introspective journey, gently unraveling the veiled truths and profound influence resonating within the cloth of each and every word. Within the mental depths of the moving review, we can embark upon a heartfelt exploration of the book's primary themes, dissect its captivating publishing design, and fail to the powerful resonance it evokes strong within the recesses of readers' hearts.
