

# NISSAN

EXCEPTIONAL. WITHOUT COMPROMISE.

## FOREWORD

When Nissan introduced the first car, the Datsun 100, in 1913, it was a small, simple car. But it was a car that was built to last. And it was a car that was built to be used. And it was a car that was built to be loved.

Over the years, Nissan has continued to build cars that are built to last. And it has continued to build cars that are built to be used. And it has continued to build cars that are built to be loved. And it has continued to build cars that are built to be used. And it has continued to build cars that are built to be loved.

Today, Nissan is proud to build cars that are built to last. And it is proud to build cars that are built to be used. And it is proud to build cars that are built to be loved. And it is proud to build cars that are built to be used. And it is proud to build cars that are built to be loved.
