Witt, Aleksandr Voinov, 2018-05 Sometimes you only get one chance at a second chance Still finding his footing after a long overdue divorce Marcus is looking forward to some mind numbing drinking while ogling the grooms at Chris and Julien s wedding He never expected his attention to be diverted by the gorgeous best man One of Julien s French Foreign Legion buddies Timur doesn t speak much English but language is no barrier to Marcus understanding exactly what the huge Tartar wants a one night stand Except that one night turns into two three then more which puts Marcus on edge After Timur is done house sitting for the honeymooning couple he s headed back to the Legion for another five years Like it or not once Timur gets on that plane the fling is over Unfortunately Marcus forgot to tell his heart not to fall in love And this time if history repeats and he makes another wrong decision he may never see his tattooed Legionnaire lover again Contains a soldier who makes up for his lack of English by using his hands to read his lover s body a chef turned bartender who no longer believes in love a length of paracord that probably wasn t meant to be used this way and a couple of newlyweds who are game for some four way play This 64 000 word novel was previously published
