Raze Hell Shelley Cass,2023-02-26 Raze Raze hide the hate Raze Raze make them pay The Wolf huffed and he puffed and he blew the whole world down The Wolf clawed his way up and took all he wanted Yet one of his snatched treasures was not all it seemed His most prized possession was becoming a better predator than him A gritty urban backdrop gang warfare a vigilante hero a corrupt system and a bisexual awakening This is a contemporary New Adult series with action and romance Join the action and enjoy the ride Interview with the Author Q What could readers compare the Raze Warfare series to It has a similar tone to The Outsiders with a gang like a family of very different people who need each other Q What makes this series different Girls are kick ass members of the gang Sexualities are open there s a bisexual triad romance why choose There are diverse racial backgrounds There s some gender bending The enemy is more covert but widespread a corrupt underground system And the gang members enforce vigilante justice while battling their own demons that range from trauma to learning difficulties Q What do you love most about this series I love that Kiddo and Raze are so different opposites attract Their deepening first time gay romance felt so intimate and sweet and real to write I especially loved including so many diverse kinds of people without feeling the need to centre the story on their race gender sexuality difficulties because people are people I loved having them there as they are rolling with the punches as people do rather than the storyline centring on any stereotypes
