David Montaigne,2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more *John Hogue's Worldwide Astrological Predictions for the Real New Year: Spring 2017 to Spring 2018* John Hogue,2017-12-27 JOHN HOGUE IS TAKING THE STARS BACK TO AN ANCIENT FUTURE Tomorrow s astrologers will embrace what early astrologers and pagan civilizations understood Spring is opening season of the natural New Year Hogue takes us through the correct procession of changing seasons from birth spring peak life summer let go autumn and death s fallow peace winter exploring world events in the time frame of seasons progressing in their corrected annual sequence with accurate astrological forecasts saddled to pure divination Hogue s future chronicles of world events can be funny shocking even terrifying but ever original and ultimately illuminating these intense times John Hogue is author of over 1 000 articles and 46 books 1 180 000 copies sold spanning 20 languages He is 13 and 0 predicting the winner of every US Presidential
