Become a Notary Public in Louisiana Steven Alan Childress, 2021-07-04 Now SUPERSEDED by our newer edition also found on this site Louisiana civil law notaries enjoy functions responsibilities and earning potential unmatched in any other state and reserved there to attorneys Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize including affidavits donations powers of attorney and even wills and trusts And so much more with no educational requirement beyond high school but a state exam that is famously challenging The entire process to become a notary is difficult and wrapped in some mystery This book is helpful if you re in the beginning stages of becoming a notary public Or just thinking about joining the profession It s about the process of registering to be a notary and why you d want to It s about the classes resources and options available to prep for the exam It s not a study guide to the test s content itself Other books do that including the best selling Sidepiece guide also by Prof Childress of Tulane But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying Previously no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you d want to know right away about the exam process and its open book Website information can be unclear and incomplete without disclosing the realities This book is about what I wish someone told me from Day One when I was considering becoming a notary in Louisiana An affordable addition to the Self Study Sherpa Series from Quid Pro Books **Manual of Instructions for Quartermasters Serving in the Field** United States. Army. Quartermaster's Department, 1900 *Manual of Securities Laws of the United States* Leonard Laurence Cowan, 1923 **Louisiana Notary Exam Outline to the 2022 Study Guide** Michele Childress, 2022-04-24 SUPERSEDED 2022 edition Look for the new 2023 version if you are studying with the current guide The Louisiana Notary Public exam is based on a 705 page study guide Fundamentals of Louisiana Notarial Law and Practice But the official book is famously difficult and organized in a complex way Readers often need help including classes

and Facebook groups just to unwind it This book is at last directly aimed at simplifying and outlining the study guide itself Such a resource offers a better chance of passing the notoriously difficult notary exam Law school classes and bar exam prep have long given law students the advantage of complete outlines nutshells and bar review materials authored by experts in their subjects It s time for this concept to be used for notary prep as well Applying the tried and true outlining format successfully employed for bar review experienced lawyer notary Michele Childress offers this resource for aspiring Louisiana notaries whether they re prepping by self study or as part of organized coursework A new addition to the Self Study Sherpa Series from Quid Pro Books this book joins the Sidepiece and Sample Questions texts as affordable guidance in the journey to becoming a commissioned notary in our state *A Handbook for Louisiana Notary Study* James D. Johnson, Susan L. Johnson, 2001 *The Notaries' and Commissioners' Manual* William Lamartine Snyder, 1923 *Handbook for Louisiana Notary Study* James D. Johnson, 1986-09 *Anderson's Manual for Notaries Public* Carl Louis Meier, 1940 *Anderson's Manual for Notaries Public* John H. Ranz, 1966 **Louisiana Notary Exam Sidepiece to the 2021 Study Guide** Steven Alan Childress, 2021-01-19 New 2021 edition of the essential study resource to supplement the state s official textbook The Louisiana Notary Exam has a 20% pass rate The Notary Exam has an official Study Guide you use during the exam But the Study Guide has no index no big picture no study strategies no exam day tips not enough cross references and few of the forms notaries use that they test It doesn t explain most tested subjects past exams or recent changes to the Guide It s got the law and notary rules but it s missing essentials for any such textbook This book has all that and much more that anyone contemplating the exam should read It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references complete index and summary lists Basically it s the rest of the official Study Guide they somehow omitted Why would they leave out the index of all things Reminder a 20% pass rate
