Charles Alderson,Alan Beretta,1992-02-27 Counter Responsibility for planning language teaching programs now carries with it a strong element of accountability Evaluation of the whole process of course design development and implementation is therefore a necessary area of activity for course designers language planners and researchers This book brings together accounts of recent work in this increasingly important field and will be a valuable resource both for those already engaged in evaluation and for those in training Part One presents a review of the literature covering past developments in the wider field of educational evaluation as well as specifically in second language education Part Two contains a series of eight original case studies written by scholars involved in evaluations in widely divergent settings The focus in each case is on how the evaluator addresses the difficulties central to each study and the findings are also included The final Part Three provides practical guidance for evaluators offering suggestions about how to set up and carry out evaluations in any given setting Publisher s website **Life Skills Literacy** Richard S. Kimball,1999 Helps students learn about nutrition conventional and alternative approaches to medicine preventive health care choosing a doctor medical insurance and more **God's Perfect Child** Caroline Fraser,2000-08 From a former Christian Scientist the first unvarnished account of one of America s most controversial and little understood religious movements Millions of americans from Lady Astor to Ginger Rogers to Watergate conspirator H R Haldeman have been touched by the Church of Christ Scientist Founded by Mary Baker Eddy in 1879 Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills an extreme expression of the American faith in self reliance In this unflinching investigation Caroline Fraser herself raised in a Scientist household shows how the Church transformed itself from a small eccentric sect into a politically powerful and socially respectable religion and explores the human cost of Christian Science s remarkable rise Fraser examines the strange life and psychology of Mary Baker Eddy who lived in dread of a kind of witchcraft she called Malicious Animal Magnetism She takes us into the closed world of Eddy s followers who refuse to acknowledge the existence of illness and death and reject modern medicine even at the cost of their children s lives She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new age beliefs and other modern healing cults A passionate expos of zealotry God s Perfect Child tells one of the most dramatic and little known stories in American religious history Life Skills Literacy: Things to Know about Community Resources Richard S. Kimball,2001 Helps learners to understand community resources and explore related subjects such as government structure and civic responsibility **John II Komnenos, Emperor of Byzantium** Alessandra

Bucossi,Alex Rodriguez Suarez,2016-06-03 The Emperor John II Komnenos 1118 1143 has been overshadowed by both his father Alexios I and his son Manuel I Written sources have not left us much evidence regarding his reign although authors agree that he was an excellent emperor However the period witnessed territorial expansion in Asia Minor as well as the construction of the most important monastic complex of twelfth century Constantinople What else do we know about John s rule and its period This volume opens up new perspectives on John s reign and clearly demonstrates that many innovations generally attributed to the genius of Manuel Komnenos had already been fostered during the reign of the second great Komnenos Leading experts on twelfth century Byzantium Jeffreys Magdalino Ousterhout are joined by representatives of a new generation of Byzantinists to produce a timely and invaluable study of the unjustly neglected figure of John Komnenos
