Performance And The Contemporary City Palgrave Macm 201:

Asian City Crossings Rossella Ferrari, Ashley Thorpe, 2021-05-17 Asian City Crossings is the first volume to examine the relationship between the city and performance from an Asian perspective This collection introduces city as method as a new conceptual framework for the investigation of practices of city based performing arts collaboration and city to city performance networks across East and Southeast Asia and beyond The shared and yet divergent histories of the global cities of Hong Kong and Singapore as postcolonial multiethnic multicultural and multilingual sites are taken as points of departure to demonstrate how city as method facilitates a comparative analytical space that foregrounds in betweenness and fluid positionalities It situates inter Asian relationality and inter city referencing as centrally significant dynamics in the exploration of the material and ideological conditions of contemporary performance and performance exchange in Asia This study captures creative dialogue that travels city based pathways along the Hong Kong Singapore route as well as between Hong Kong and Singapore and other cities through scholarly analyses and practitioner reflections drawn from the fields of theatre performance and music This book combines essays by scholars of Asian studies theatre studies ethnomusicology and human geography with reflective accounts by Hong Kong and Singapore based performing arts practitioners to highlight the diversity vibrancy and complexity of creative projects that destabilise notions of identity belonging and nationhood through strategies of collaborative conviviality and transnational mobility across multi sited networks of cities in Asia In doing so this volume fills a considerable gap in global scholarly discourse on performance and the city and on the production and circulation of the performing arts in Asia

Theatre and Archival Memory Barry Houlihan, 2021-07-28 This book presents new insights into the production and reception of Irish drama its internationalisation and political influences within a pivotal period of Irish cultural and social change From the 1950s onwards Irish theatre engaged audiences within new theatrical forms at venues from the Pike Theatre the Project Arts Centre and the Gate Theatre as well as at Ireland s national theatre the Abbey Drawing on newly released and digitised archival records this book argues for an inclusive historiography reflective of the formative impacts upon modern Irish theatre as recorded within marginalised performance histories This study examines these works experimental dramaturgical impacts in terms of production reception and archival legacies The book framed by the device of archival memory serves as a means for scholars and theatre makers to inter contextualise existing historiography and to challenge canon formation It also presents a new social history of Irish theatre told from the fringes of history and reanimated through archival memory

Intimate Inequalities Ella Parry-Davies, 2025-09-15 Mobilizing performance to amplify migrant domestic workers creative expertise Intimate inequalities exist where the embodied and the everyday rub up against transnational structures of power Ella Parry Davies conducted collaborative research with migrant domestic workers from the Philippines living in the UK and Lebanon where migration is regulated by employer sponsorship systems to explore how they negotiate the intimacy of the family home and the attendant inequalities of laboring within it

Intimate Inequalities Performing Migrant Domestic Work brings these conditions into focus while articulating a methodological inquiry into the dynamics of collaborative performance research Parry Davies examines site specific soundwalks recorded and coedited with domestic workers which steer the book between church choirs in Beirut and activist gatherings in London and from urban performances in Lebanon s 2019 revolution to mutual aid organizing amid COVID 19 in the UK Breaking with prevalent depictions of migrant domestic workers as voiceless and victimized Intimate Inequalities mobilizes performance as both an analytic lens and a practical methodology amplifying its subjects expertise while reckoning with the intimate yet unequal dynamics of research itself

Occupying the Stage Kate Bredeson, 2018-11-15 Occupying the Stage the Theater of May 68 tells the story of student and worker uprisings in France through the lens of theater history and the story of French theater through the lens of May 68 Based on detailed archival research and original translations close readings of plays and historical documents and a rigorous assessment of avant garde theater history and theory Occupying the Stage proposes that the French theater of 1959 71 forms a standalone paradigm called The Theater of May 68 The book shows how French theater artists during this period used a strategy of occupation occupying buildings streets language words traditions and artistic processes as their central tactic of protest and transformation It further proposes that the Theater of May 68 has left imprints on contemporary artists and activists and that this theater offers a scaffolding on which to build a meaningful analysis of contemporary protest and performance in France North America and beyond At the book s heart is an inquiry into how artists of the period used theater as a way to engage in political work and concurrently questioned and overhauled traditional theater practices so their art would better reflect the way they wanted the world to be Occupying the Stage embraces the utopic vision of May 68 while probing the period s many contradictions It thus affirms the vital role theater can play in the ongoing work of social change

Shakespeare's Culture in Modern Performance M. Jones, 2003-10-23 Shakespeare s Culture in Modern Performance is an original study at the interface of a historicizing literary criticism and the study of modern performance In a critical climate that views the cultural object of performance as authentic in itself is there any point in exploring a script s original history The writer argues for a dialogic understanding of Shakespeare s plays in performance relative to unresolved issues of modernity in a study of modern productions on stage and screen

A Stage of Emancipation Margu  rite Corporaal, Ruud van den Beuken, 2021 Uncovering a wide range of marginalised histories of gender class language ethnicity and sexuality this volume shows how the Dublin Gate Theatre est 1928 played various emancipatory roles in Irish culture and society both under the directorate of its founders Hilton Edwards and Miche  l mac Liamm  ir but also in more recent times

The Theatre of Richard Maxwell and the New York City Players Sarah Gorman, 2012-10-02 The theatre of Richard Maxwell and the New York City Players has received significant international recognition over the past ten years The company has received three OBIEs for House 1999 Drummer Wanted 2002 and Good Samaritans 2005 Maxwell received a Guggenheim Fellowship in 2010 and has been commissioned by venues

in the United States the United Kingdom Germany Austria the Netherlands France Belgium and Ireland Although his productions generate a plethora of reviews there is a deficit of material providing a critical and sustained engagement with his work The aim of this book is to provide a critical survey of Maxwell s work since 1992 including his early participation in Cook County Theater Department Touching upon the acting production and rehearsal processes of NYC Player s work and Maxwell s representations of space community race and gender this volume provides scholars with an important overview of a key figure in contemporary drama *The Ashgate Research Companion to Paranormal Cultures* Olu Jenzen, Sally R. Munt, 2016-03-23 Despite the much vaunted end of religion and the growth of secularism people are engaging like never before in their own spiritualities of life Across the West paranormal belief is on the rise The Ashgate Research Companion to Paranormal Cultures brings together the work of international scholars across the social sciences and humanities to question how and why people are seeking meaning in the realm of the paranormal a heretofore subjugated knowledge With contributions from the UK and other European countries the USA Australia and Canada this ground breaking book attends to the paranormal as a position from which to critique dominant forms of knowledge production and spirituality A rich exploration of everyday life practices textual engagements and discourses relating to the paranormal as well as the mediation technology and art of paranormal activity this book explores themes such as subcultures and mainstreaming as well as epistemological methodological and phenomenological questions and the role of the paranormal in social change The Ashgate Research Companion to Paranormal Cultures constitutes an essential resource for those interested in the academic study of cultural engagements with paranormality it will appeal to scholars of cultural and media studies popular culture sociology cultural geography literature film and music *The Methuen Drama Handbook of Gender and Theatre* Sean Metzger, Roberta Mock, 2023-12-28 Shortlisted for the 2024 TaPRA Edited Collection Prize This is a guide to contemporary debates and theatre practices at a time when gender paradigms are both in flux and at the centre of explosive political battlegrounds The confluence of gender and theatre has long created intense debate about representation identification social conditioning desire embodiment and lived experience As this handbook demonstrates from the conventions of early modern English Chinese Japanese and Hispanic theatres to the subversion of racialized binaries of masculinity and femininity in recent North American African Asian Caribbean and European productions the matter of gender has consistently taken centre stage This handbook examines how critical discourses on gender intersect with key debates in the field of theatre studies as a lens to illuminate the practices of gender and theatre as well as the societies they inform and represent across space and time Of interest to scholars in the interrelated areas of feminist gender and sexuality studies theatre and performance studies cultural studies and globalization and diasporic studies this book demonstrates how researchers are currently addressing theatre about gender issues and gendered theatre practices While synthesizing and summarizing foundational and evolving debates from a contemporary perspective this collection offers interpretations and analyses that do

not simply look back at existing scholarship but open up new possibilities and understandings Featuring essential research tools including a survey of keywords and an annotated play list this is an indispensable scholarly handbook for anyone working in theatre and performance Feminism, Dramaturgy, and the Contemporary British History Play Rebecca Benzie, 2024-08-22 When we think of the contemporary British history play why might we automatically think of playwrights such as David Hare Howard Brenton Peter Gill and Edward Bond Because for decades the writing of the history play has been the preserve of the white male This book provides a vital feminist intervention into the dramaturgy of history plays investigating work produced at major British theatres from 2000 to the present written by a generation of innovative women playwrights This much needed study explores the use of history specifically Elizabethan Restoration Victorian and early 20th century in contemporary playwriting in order to interrogate the gender politics of this work Within the framework of contemporary feminism including the pivotal MeToo movement the book looks at post 2000s feminist drama that somehow represents the past Through delving into the recurring tropes and their politics in the light of current feminist debate the author helps us grasp how these plays essentially re imagine gender politics Plays that are considered include Emilia Morgan Lloyd Malcolm Swive Elizabeth Ella Hickson An August Bank Holiday Lark Deborah McAndrew The Empress Tanika Gupta Red Velvet Lolita Chakrabarti Scuttlers Rona Munro I Joan Charlie Josephine Blue Stockings and Nell Gwynn Jessica Swale and the musical Six Toby Marlow and Lucy Moss **Political Adaptation in Canadian Theatre** Kailin Wright, 2020-09-23 In Canada adaptation is a national mode of survival but it is also a way to create radical change Throughout history Canadians have been inheritors and adaptors of political systems stories and customs from the old world and the new More than updating popular narratives adaptation informs understandings of culture race gender and sexuality as well as individual experiences In Political Adaptation in Canadian Theatre Kailin Wright investigates adaptations that retell popular stories with a political purpose and examines how they acknowledge diverse realities and transform our past Political Adaptation in Canadian Theatre explores adaptations of Canadian history Shakespeare Greek mythologies and Indigenous history by playwrights who identify as English Canadian African Canadian French Canadian French Kuna Rappahannock and Delaware from the Six Nations Along with new considerations of the activist potential of popular Canadian theatre this book outlines eight strategies that adaptors employ to challenge conceptions of what it means to be Indigenous Black queer or female Recent cancellations of theatre productions whose creators borrowed elements from minority cultures demonstrate the need for a distinction between political adaptation and cultural appropriation Wright builds on Linda Hutcheon's definition of adaptation as repetition with difference and applies identification theory to illustrate how political adaptation at once underlines and undermines its canonical source An exciting intervention in adaptation studies Political Adaptation in Canadian Theatre unsettles the dynamics of popular and political theatre and rethinks the ways performance can contribute to how one country defines itself Histories of City and State in the Persian Gulf Nelida Fuccaro, 2009-09-03 This book

examines the political and social life of the Gulf city and its coastline as exemplified by Manama in Bahrain Written as an ethnography of space politics and community it addresses the changing relationship between urban development politics and society before and after the discovery of oil *Aliens and Englishness in Elizabethan Drama* Lloyd Edward

Kermode,2009-03-19 Covering a wide variety of plays from 1550 1600 including Shakespeare s second tetralogy this book explores moral historical and comic plays as contributions to Elizabethan debates on Anglo foreign relations in England The economic social religious and political issues that arose from inter British contact and Continental immigration into England are reinvented and rehearsed on the public stage Kermode uncovers two broad alien stages in the drama distinctive but overlapping processes by which the alien was used to posit ideas and ideals of Englishness Many studies of English national identity pit Englishness against the alien other so that the native self and the alien settle into antithetical positions In contrast *Aliens and Englishness* reads a body of plays that represent Englishness as a state of ideological invented superiority paradoxically stable in its constant changeability and brought into being by incorporating and eventually accepting and even celebrating rather than rejecting the alien

Performing Folk Songs Elizabeth Bennett,2023-12-14 *Performing Folk Songs* is the first full length volume to explore English folk singing from the perspective of performance studies Using archival sources family repertoire and recorded performances of interviewees this book argues that archives and repertoires are produced in sensory environments and through embodied encounters Autoethnography sensory ethnography life writing and landscape writing are used to explore the affective and emotional aspects of learning songs by heart Drawing on her experience as a folk singer Bennett contributes to discourse on English folk traditions in the 21st century and brings performance scholarship to the contemporary folk song resurgence In analyzing the performance of English folk songs in the affective context of the archive and the landscape the book engages with and contributes original insights to scholarship on folk music performance studies affect theory cultural geography and intangible cultural heritage studies

Researching Popular Entertainment Kim Baston,Jason Price,2024-12-27 *Researching Popular Entertainment* is an essential volume for scholars delving into the vibrant yet complex world of popular entertainment Written by a global network of experts this book addresses the unique challenges researchers face in this field The often dismissed status of popular entertainment coupled with its reliance on physicality and improvisation over scripted performances has meant archival and textual sources tend to be more limited than in related theatre and performance disciplines This scarcity requires historians to find alternative pathways through the available materials to recuperate seemingly insignificant figures and performance forms from our cultural past This book provides a candid look into the research processes of its authors highlighting some of the approaches they have adopted to overcome these challenges It emphasises that reading performance as entertainment is a deliberate methodological choice Regardless of whether a work is deemed high or low art legitimate or illegitimate understanding how it captivates its audience is central to the study of entertainment Readers will benefit from its in depth analysis and practical

guidance making it an indispensable resource for anyone studying popular entertainment **Twelfth Night - ISE - Ed. Carnegie & Houlahan** William Shakespeare, 2014-06-06 Twelfth Night has seldom been off the stage since Shakespeare's day. It has been performed for its romantic high comedy and its boisterous low comedy with an emphasis on farce or on autumnal melancholy as straightforward celebration of heterosexual love and marriage or as exploration of the complexity of gender. David Carnegie and Mark Houlahan's introduction to the play provides a lively discussion of the play's performance history and encourages readers to think about stagecraft and the play as a performance text while the historical appendices provide materials that illuminate different thematic elements of the play. Extended notes interleaved throughout the play present relevant illustrations and expand on mythological, historical, and religious references in the play. The accompanying online text will offer additional commentary on staging alternatives and more extensive visual materials. A collaboration between Broadview Press and the Internet Shakespeare Editions project at the University of Victoria, the editions developed for this series have been comprehensively annotated and draw on the authoritative texts newly edited for the ISE. This innovative series allows readers to access extensive and reliable online resources linked to the print edition **After "Happily Ever After"** Maria San Filippo, 2021-05-18 This volume is intended for all readers with an interest in film, media, and gender studies **Entangled Performance Histories** Erika Fischer-Lichte, Małgorzata Sugiera, Torsten Jost, Holger Hartung, Omid Soltani, 2022-12-30 Entangled Performance Histories is the first book-length study that applies the concept of entangled histories as a new paradigm in the field of theater and performance historiography. Entangled histories denotes the interconnectedness of multiple histories that cannot be addressed within national frameworks. The concept refers to interconnected pasts in which historical processes of contact and exchange between performance cultures affected all involved. Presenting case studies from across the world spanning Africa, the Arab-speaking world, Asia, the Americas, and Europe, the book's contributors systematically expand, exemplify, and examine the concept of entangled histories, thus introducing various innovative concepts, theories, and methodologies for investigating reciprocally consequential processes of interweaving performance cultures from the past. Bringing together examples of entanglements in theater and performance histories from a broad variety of geographical and historical backgrounds, the book's contributions build together a broad basis for a possible and necessary paradigmatic shift in the field of theater and performance historiography. Ideal for researchers and students of history, theater, performance, drama, and dance, this volume opens novel perspectives on the possibilities and challenges of investigating the entangled histories of theater and performance cultures on a global scale.

Masculinities and Place Andrew Gorman-Murray, Peter Hopkins, 2016-05-06 Masculinities and Place bring together an impressive range of high-profile and emerging researchers to consolidate and expand new domains of interest in the geographies of men and masculinities. It is structured around key and emerging themes within recently completed and on-going research about the intersections between men, masculinities, and place. Building upon broader themes in social and

cultural geographies cultural economy and urban rural studies the collection is organised around the key themes of theorising masculinities and place intersectionality home family domestic labour work and health and well being Playing Offstage Sidney Homan, 2017-02-01 Fourteen scholars who work on campus or in the theater address this issue of what it means to play offstage With their individual definition of what offstage could mean the results were predictably varied They employed a variety of critical approaches to the question of what happens when the play moves into the audience or beyond the physical playhouse itself What are the social cultural and political ramifications Questions of how and why actors play offstage admit the larger role their production has for the world outside the theater and hence this collection's sub title The Theater As a Presence or Factor in the Real World Among the various topics the essays include breaking the fourth wall and thereby making the audience part of the performance the theater of political protest one contributor staged Waiting for Godot in Zuccotti Park as part of the Occupy Wall Street protests landscape or town theater using citizens as actors or trekking theater where the production moves among various locations in the community the way principles of the theater can inform corporate management the genre of semi scripted comedy and quasi impromptu spectacle such as reality TV or flash mobs digitalized performances of Shakespeare the role of Greek Theater in the midst of the country's current economic and political crisis how the area outside the theater became part of the performance inside Shakespeare's Globe Timothy Leary's Psychedelic Celebrations designed to reproduce the offstage experience of LSD William Vollmann's use of Noh theater to fashion a personal model and process of life transformation liminal theater which erases the line between onstage and off The collection thus complements through actual performance criticism those studies that see the theater as a commentary on issues social political economic and it reverses the Editor's own earlier collection The Audience As Player which examined interactive theater where the spectator comes onstage
