Revise AQA GCSE Foundation Maths provides you with all the key information that you need to revise and covers the full exam specification. The content is tailored to the Maths Foundation paper so that it offers you exactly the right level of support. We understand the concerns you might have about the amount of knowledge you need to revise for Maths and to recall and select the right strategies to answer questions in your exams. By working through the Knowledge Retrieval Practice sections you will be using proven ways to revise, check and recall so that what you revise sticks in your memory. Knowledge Organisers cover the key information that you need to revise in manageable chunks for all topics in the AQA Foundation specification. Worked example questions and solutions illustrate concepts and help you understand how to work through and answer questions. An online glossary helps you to learn definitions of key terms. Retrieval questions allow you to check that you have learned and can remember the knowledge before you practise exam style questions, helping you to ensure that you don't forget the knowledge. Exam style Practice gives you ample opportunities to practise the type of questions you will encounter in your exams, with all the answers to practice questions plus a mark scheme available online.
