Pixl Predicted Paper Maths:

Maths Sarah Sheepy, 2012-01-20 This book of practice test papers can be used by parents to prepare their child for school tests in mathematics at Key Stage 1. There are three practice papers providing 3 hours of test practice plus answers and notes for parents. These mathematics practice test papers give children the confidence of knowing the sort of questions they will experience in school tests towards the end of Key Stage 1. The papers also enable parents to assess their child's progress at school, identify strengths and weaknesses and help improve their child's confidence and ability. The first of the three papers is aimed at levels 1 & 2 while the remaining two papers are at level 3. Parents can mark their child's work using the pull out answers and mark scheme provided. The marks can then be used to assess the child's National Curriculum level.
