

The Game of Tens and Ones

You need:

- a partner
- 2 0-99 charts
- 2 game markers
- The Game of Tens and Ones die
- The Game of Tens and Ones Record Sheet

Rules:

1. Each player places a marker on the zero on his or her own 0-99 chart. Players take turns rolling the die.
2. Player 1 rolls the die and moves a marker according to the roll on his or her own 0-99 chart.
3. Player 1 checks that Player 2 agrees and then hands the die to Player 2.
4. Player 2 follows the same steps as Player 1, using his or her own chart.
5. The winner is the first player to move his or her marker to 99. To win, a player must land on 99 exactly.

For example, if a player lands on 90 and rolls a +10 on the next turn, the player must pass, as there are only nine boxes from 90 to 99. Players may not move their markers past 99 and off the chart.

Place Value Game Marilyn Burns
