Homemade Shampoos J.D. Rockefeller, Producing your personal shampoo is not a new inkling in fact ladies and homemakers for years have been producing their own shampoo and before today s commercially produced shampoos became accessible In those days women would usually wash their hair with homemade products that were effective and great at keeping their hair healthy and looking good Men still admired ladies and found them to be gorgeous even before the introduction of these modern shampoos This book is not saying that the chemically produced shampoo is bad but some manufacturers in a bid to make profit continue to add harmful chemicals to their products These chemicals may not have immediate effects rather the side effects may start manifesting in old age or affect you so many years later Recently most people have developed an interest in green living and have opted for alternatives and it has driven them to make their own shampoos and conditioners The main benefits of producing your own shampoo are basically to save some money and also to escape the terrible chemicals that most commercially made shampoos lotions and body products have in them most times So let s get started

DIY IT ALL Lauren R. Daniels, Did you know that there is no regulation on commercially sold products Some products we buy everyday contain ingredients that are known to cause irritation and in worst case scenario even cause cancer Until a few years ago I didn t know either Once I learned more about what ingredients were in store bought products the more control I wanted over what I was exposing myself to and learned how easy it was to DIY things instead of buying them from the store It is so empowering to make your own products It gives you peace of mind to know exactly what you are putting on and in your body My hope is that this book shows you that ease and empowers you to try it for yourself This book Explains the ingredients for each recipe as well as why they are included Includes links and guidance on where ingredients can be found and what to look for when making your purchase Has scannable QR codes to access video tutorials for each recipe Answers frequently asked questions regarding recipe yield shelf life and optional ingredients Provides step by step instructions on how to make and use each recipe This book is perfect for Anyone looking to take control of their health and well being Gifting to the DIY er in your life You yes you **Making Natural Hair Care Products - A Beginner's Guide** Jamesha Bazemore,2016-05-06 Natural hair flourishes best when it is well hydrated and able to retain that moisture The market is full of products that promise to do just that but some do not
