The Personality of Power Brian Massumi, 2025-02-28
I am the Chosen One
With this exclamation Donald Trump crowns the national exceptionalism his base upholds with a claim of personal exceptionalism
He leaves no doubt as to the emotional note I am your vengeance
He personifies reaction for the masses
Except in today's microsegmented social media environment the masses no longer exist
Fascism's cultural conditions have shifted
In *The Personality of Power* Brian Massumi retheorizes the conditions of contemporary fascism through the prism of Trump's persona
Older theories based on identification of the masses with a charismatic leader no longer hold
Rather an affective regime of reaction agitates bodies and orients lives at the molecular level
Massumi examines this agitation in relation to race gender personhood and conspiracy thinking
The Personality of Power is a political treatise on fascism and its precursor movements coupled with a philosophical inquiry into becoming reactionary as a collective process
Massumi calls the very concept of the person into question asking what collective personhood means concretely
Nothing less than an alternative political logic is needed turned to the task of thinking collective individuation
