The Reader's Holy Bible Volume 1: The Covenant History Devoted Friends of God, 2017-07-16 Read the Holy Bible like a novel not like a textbook This version of the Holy Bible capitalizes on a new presentation style that has become more popular over the last few years and one that is closer to the original version than most current ones We've dispensed with chapter and verse numbers they weren't added until the 1200s and 1500s respectively and we've put books that were split apart because they wouldn't fit on a single scroll e.g. Ezra and Nehemiah back into single books We've also rearranged some of the books so they follow a more logical timeline and progression We keep books with the same audience or author or same theme or timeline together This makes it more cohesive for you to read We've used the World English Bible a readable translation that allows you to traverse the whole of God's word in thoroughly modern language We hope you enjoy reading this new version of the Holy Bible and may Yahweh bless you *Running Wild Novella Anthology Volume 3 Book 1* Christa M.
