Ruthless Pleasure His Lottery Book 1:

Health Wealth and Happiness Lee Black, 2023-04-01 Here is where I am supposed to say something to inspire you to read the book but the truth is that there is a person who would be more inspirational that person is your future self I can only say that right now is like the moment when a person hiking in the desert runs across a shiny object from a distance In that first moment they may think it is just something they have seen before like a worthless piece of scrap metal or a shiny rock and they may even consider ignoring it and moving on It is only when they decide to go closer and to examine what they have found that they begin to understand how great that decision was The shiny object turns out to be a rare solid gold lamp and further examination reveals that inside of the lamp is an ancient treasure map showing the location to multiple precious treasures Your future self would tell you that this moment when you decided to examine this book is when you made one of the best and most important decisions in your life The writings here are the end result of a life long quest for life's treasures Early in life I spent decades searching for something of great value but I never found it I wanted to find a book with the complete answers about how to get the most desired things in life I could not find what I was searching for in the schools or universities I attended I never found all the answers from any book professor religious leader business person political leader philosopher or scientist And in the end I only found many small bits and pieces of a much larger puzzle I wished for something with all the pieces put together Then I decided to put all the pieces together and to actually write the book I never found This is THE book This book does the seemingly impossible it actually contains the complete information on how to acquire the most desired things in life for everyone in every stage of life
