*The Legacy and Limits of Vatican II in an Age of Crisis* Massimo Faggioli, Edward P. Hahnenberg, Kristin M Colberg, Catherine Clifford, 2025-04-26 A renewed approach to the critical study of the event and documents of Vatican II necessary for responding to the challenges facing today's church Packed with new insights from some of today's most highly

regarded voices on the Second Vatican Council The Legacy and Limits of Vatican II in an Age of Crisis enacts the living tradition of the church by proposing a richer history to be told sixty years from its celebration and a broader theology to inspire our work today Vatican II did not anticipate our contemporary challenges nor do its documents provide specific guidelines or step by step instructions for addressing them But that does not make the council irrelevant As a touchstone of the church s magisterial tradition the Second Vatican Council remains foundational for the life and mission of the Catholic Church today However like any monument of the tradition the council requires ongoing investigation critical analysis and constant reconsideration from a diversity of contemporary perspectives if it is going to contribute to the living tradition of the church Through historical and theological lenses the contributors aim to rediscover forgotten voices and overlooked moments of Vatican II that may have something even more important to say today Each chapter promises to surprise enlighten inspire and teach in fresh and unexpected ways The contributors offer readers striking insights on the council s teaching related to the sexual abuse crisis antiracism politics the Synod on Synodality and much more By reexamining the teaching of Vatican II from the perspective of our present ecclesial crisis readers will have a better understanding of how its legacy and limits affect the ongoing reform of the church in a much changed theological ecclesial and social landscape

Tracing the cultural legacy of Irish Catholicism Eamon Maher,Eugene O'Brien,2017-04-06 This book traces the steady decline in Irish Catholicism from the visit of Pope John Paul II in 1979 up to the Cloyne report into clerical sex abuse in that diocese in 2011 The young people awaiting the Pope s address in Galway

were entertained by two of Ireland's most charismatic clerics Bishop Eamon Casey and Fr Michael Cleary both of whom were subsequently revealed to have been engaged in romantic liaisons at the time. The decades that followed the Pope's visit were characterised by the increasing secularisation of Irish society. Boasting an impressive array of contributors from various backgrounds and expertise the essays in the book attempt to trace the exact reasons for the progressive dismantling of the cultural legacy of Catholicism and the consequences this has had on Irish society.
