Sheridan and Thomas J. Lalka provide an updated guide for the novice and professional alike. The chapters are crafted to provide essential information to guide the job seeker from entrance into the profession through career development, occupational refocus, professional options to retirement preparation. Taking into consideration the effects of the pandemic, current social unrest, and recent tragedies, the authors examine how the new normal will bring change and opportunities throughout criminal justice careers. With an emphasis on planning personal development and preparation, this book outlines career paths that can provide rewards for satisfaction during and after careers. On top of invaluable information on a variety of specific careers, this book also includes sixteen appendices that cover successful job hunting, internships, a guide to interview questions, a document portfolio checklist, paying for college, and profiles of 18 professionals in the criminal justice field, from a parole officer to a correctional architect. This is an excellent resource for students, faculty advisors, and classroom instruction for guidance into a successful criminal justice career that will be loved from first employment to retirement.

Social Work Practice in the Criminal Justice System George Patterson, 2019-12-06 *Social Work Practice in the Criminal Justice System* presents an overview of the criminal justice system for social workers, exploring the networks and institutions which comprise it.
