

PLEASE READ THIS USER MANUAL BEFORE START THE MACHINE.

1. GENERAL INFORMATION

1.1. Foreword

This guide is prepared to introduce you the specifications and operation of your cutting machine and transfer you the necessary information for the systematic usage and maintenance of your machine.

The guide, other than the general security rules, contains information for installation on-site, taking into service, operation and periodic maintenance.

If not mentioned otherwise, we do not recommend you to undertake any repair or interfere with the operation. All work relating to the dismantling of the machine parts should be done by qualified technical personnel.

A sensitive and systematic operation is also possible if you comply with the instructions necessary for the operation and maintenance and also know why you are doing something in a certain way. Therefore please comply with the maintenance rules. If more information is required, Özpetik company is available for you with its accumulation of technical knowledge and experience. We hope that you find it easy to use your cutting machine and we can provide you with the satisfaction you expect from using an Özpetik product.

WE RECOMMEND YOU TO MAINTAIN THIS GUIDE IN FAIR CONDITIONS AND IN A PLACE EASILY ACCESSIBLE.

The producer can not be held responsible for mistakes possibly included in this guide.

The producer will not be held responsible for any usage not described in this guide or any drawback resulting from a defective maintenance. All rights are protected for the producer.

All information, descriptions and illustrations included in this guide are not binding. The producer, without informing in advance, keeps the right to make all amendments, because of technical reasons or for the development of the machine, reserved.

For any demand concerning the usage or for consultancy please contact your nearest Özpetik agent.
