Narrative

On Thursday July 16, 2009, Henry Gates, Jr. (redacted), of (redacted) Ware Street, Cambridge, MA) was placed under arrest at (redacted) Ware Street, after being observed exhibiting loud and tumultuous behavior, in a public place, directed at a uniformed police officer who was present investigating a report of a crime in progress. These actions on the behalf of Gates served no legitimate purpose and caused citizens passing by this location to stop and take notice while appearing surprised and alarmed.

On the above time and date, I was on uniformed duty in an unmarked police cruiser assigned to the Administration Section, working from 7:00 AM-3:30 PM. At approximately 12:44 PM, I was operating my cruiser on Harvard Street near Ware Street. At that time, I overheard an ECC broadcast for a possible break in progress at (redacted) Ware Street. Due to my proximity, I responded.

When I arrived at (redacted) Ware Street I radioed ECC and asked that they have the caller meet me at the front door to this residence. I was told that the caller was already outside. As I was getting this information, I climbed the porch stairs toward the front door. As I reached the door, a female voice called out to me. I turned and looked in the direction of the voice and observed a white female, later identified as Lucia Whalen. Whalen, who was standing on the sidewalk in front of the residence, held a wireless telephone in her hand and told me that it was she who called. She went on to tell me that she observed what appeared to be two black males with backpacks on the porch of (redacted) Ware Street. She told me that her suspicions were aroused when she observed one of the men wedging his shoulder into the door as if he was trying to force entry. Since I was the only police officer on location and had my back to the front door as I spoke with her, I asked that she wait for other responding officers while I investigated further.

Police Report For Henry Louis Gates:

Police Training and Excessive Force Pete Schauer, 2017-12-15 How rough is too rough Rodney King is an unfamiliar name for those growing up today but the ongoing conversation concerning police brutality is one they know all too well This collection deep dives into police training procedure what constitutes excessive force and what happens when the community disagrees with the police and the justice system Relevant topics covered in this balanced anthology include the 1992 L A riots and the 2014 outcry in Ferguson MO as well as the choking death of Eric Garner in Staten Island NY *Nation of Cowards* David H. Ikard, Martell Lee Teasley, 2021-12-22 An argument for intense and organized activism from the African American community to generate discussion on race in the United States In a speech from which *Nation of Cowards* derives its title Attorney General Eric Holder argued forcefully that Americans today need to talk more not less about racism This appeal for candid talk about race exposes the paradox of Barack Obama s historic rise to the US presidency and the ever increasing social and economic instability of African American communities David H Ikard and Martell Lee Teasley maintain that such a conversation can take place only with passionate and organized pressure from Black Americans and that neither Obama nor any political figure is likely to be in the forefront of addressing issues of racial inequality and injustice The authors caution Blacks not to slip into an accommodating and self defeating post racial political posture settling for the symbolic capital of a Black president instead of demanding structural change They urge the Black community to challenge the social terms on which it copes with oppression including acts of self imposed victimization A clarion call to our nation s conscience Free from overly academic jargon but full of powerful wordplay and brilliant juxtapositions this book is a fascinating tour de force from start to finish Those seeking a clear and concise explanation of the state of African America and the ongoing need for a black agenda during and even after the administration of the first African American president need look no further Reiland Rabaka author of *The Hip Hop Movement* and Du Bois *A Critical Introduction* *Nation of Cowards* offers an analysis of the Obama administration is as thorough as it is compact Here are the hard questions that must be asked of the first black presidency and an insightful draft of how history may regard it Ikard and Teasley are well ahead of that curve Jelani Cobb author of *The Substance of Hope* Barack Obama the Paradox of Progress *A Feminist Critique of Police Stops* Josephine Ross, 2020-12-17 *A Feminist Critique of Police Stops* examines the parallels between stop and frisk policing and sexual harassment An expert whose writing teaching and community outreach centers on the Constitution s limits on police power Howard Law Professor Josephine Ross argues that our constitutional rights are a mirage In reality we can t say no when police seek to question or search us Building on feminist principles Ross demonstrates why the Supreme Court got it wrong when it allowed police to stop search and sometimes strip search people and call it consent Using a wide range of sources including her law students experiences with police news stories about Eric Garner and Sandra Bland social science and the work of James Baldwin Ross sheds new light on policing This book should be read by everyone interested in how Court approved police stops sap

everyone's constitutional rights and how this form of policing can be eliminated **Broken Scales** Tom Diaz,2021-10-15

Humans are a species that classifies. We arrange the flow of the things and events that we see and experience place them into categories and erect boundaries around those categories. Among the boundaries that we erect are those that we put around groups of other human beings. The evil side of human classification of other human beings is that we sometimes create false categories of other people as is often the case in racial, ethnic, and religious stereotypes. This unmindful creation of empty categories of human characteristics is what happened during two periods crucial to the construction of race in America. This is racism. The United States is in a period of deep cultural flux and conflict, much of it seen through the lens of race. Tom Diaz proposes that the everyday actions of ordinary people in the context of extreme political and cultural polarization distort the criminal justice system and betray the lofty ideals expressed in American founding documents and centuries of Anglo-American articulations of basic human rights. These everyday actions range across a spectrum from the armed intervention of private citizens in the forms of individual action, neighborhood watches, and citizen's arrests to the expectations imposed on law enforcement in particular and the criminal justice system in general. *Barack and Joe* Steven Levingston,2019-10-08

A Washington Post 2019 Notable Selection. A vivid and inspiring account of the bromance between Barack Obama and Joe Biden. The extraordinary partnership of Barack Obama and Joe Biden is unique in American history. The two men, their characters and styles sharply contrasting, formed a dynamic working relationship that evolved into a profound friendship. Their affinity was not predestined. Obama and Biden began wary of each other. Obama, an impatient freshman, disdainful of the Senate's plodding ways. Biden, a veteran of the chamber and proud of its traditions. Gradually, they came to respect each other's values and strengths and rode into the White House together in 2008. Side by side through two tension-filled terms, they shared the day-to-day joys and struggles of leading the most powerful nation on earth. They accommodated each other's quirks. Biden's famous miscues kept coming, and Obama overlooked them, knowing they were insignificant except as media fodder. With his expertise in foreign affairs and legislative matters, Biden took on an unprecedented role as chief adviser to Obama, reshaping the vice presidency. Together, Obama and Biden guided Americans through a range of historic moments: a devastating economic crisis, racial confrontations, war in Afghanistan, and the dawn of same-sex marriage nationwide. They supported each other through highs and lows. Obama provided a welcome shoulder during the illness and death of Biden's son Beau. As many Americans turn a nostalgic eye toward the Obama presidency, Barack and Joe offers a new look at this administration: its absence of scandal, dedication to truth, and respect for the media. This is the first book to tell the full story of this historic relationship and its substantial impact on the Obama presidency and its legacy. **Law Enforcement Ethics** Brian D. Fitch,2013-03-22

Law Enforcement Ethics: Classic and Contemporary Issues for the New Millennium covers many of the important facets of law enforcement ethics, including the selection, training, and supervision of officers. Editor Brian D. Fitch brings together the works of a diverse task force with a vested interest in reducing officer misconduct, including law

enforcement scholars educators and practitioners from a variety of disciplines to present a comprehensive look at this critical subject that is gaining more attention in agencies and in the media today The text covers topics on the roles of culture environment social learning policy and reward systems as they pertain to law enforcement ethics as well as the ethics of force interrogations marginality and racial profiling This volume also covers several unique aspects of ethics such as the role of Post Traumatic Stress Disorder in misconduct PTSD cheating during law enforcement promotional practices off duty misconduct and best practices in developing countries

Racial Profiling Michael L. Birzer,2012-11-14 Many racial minority communities claim profiling occurs frequently in their neighborhoods Police authorities for the most part deny that they engage in racially biased police tactics A handful of books have been published on the topic but they tend to offer only anecdotal reports offering little reliable insight Few use a qualitative methodol

Minority Reports M. Borgstrom,2010-07-05 Through close readings of texts by African American and women authors Minority Reports offers a theoretical defense of the use of identity categories in American studies by examining how early American literature not only responds to the social stratification of the nineteenth century but also challenges modern historical conceptions of this era

The Persistence of the Color Line Randall Kennedy,2012-04-17 A provocative and richly insightful new book The New York Times Book Review that gives us a shrewd and penetrating analysis of the complex relationship between the first black president and his African American constituency Renowned for his insightful common sense critiques of racial politics Randall Kennedy now tackles such hot button issues as the nature of racial opposition to Obama whether Obama has a singular responsibility to African Americans the differences in Obama s presentation of himself to blacks and to whites the challenges posed by the dream of a post racial society the increasing irrelevance of a certain kind of racial politics and its consequences the complex symbolism of Obama s achievement and his own obfuscations and evasions regarding racial justice Eschewing the critical excesses of both the left and the right Kennedy offers an incisive view of Obama s triumphs and travails his strengths and weaknesses as they pertain to the troubled history of race in America
