Rosa Parks and Civil Rights Movement

On December 1, 1955, the course of history changed with a simple act of courage which staggered the people of the United States and created a shift in the black community. This act of bravery came from the one and only, Rosa Parks. Known as the "Mother of the Modern-Day Civil Rights Movement", Parks was born on February 4, 1913 in Tuskegee, Alabama to James and Leona Edwards McCauley. Due to the illness of her grandmother, Rose Edwards and soon her mother, Parks dropped out of Alabama State College Teacher's High School to care for her grandmother and mother but was soon able to receive her high school diploma in 1934.

Throughout that time, Parks has been exposed to the racial segregation, deeply rooted racism and the conflicting differences she has faced based solely on the color of her skin, but these have only motivated Parks to be the change that her community needed and later the change that the United States needed. Rosa Parks not only joined the National Association for the Advancement of Colored People (NAACP), became famously known for the refusal of her seat to a white man in 1955, and co-founded The Rosa and Raymond Parks Institute for Self Development and each of these events established a foundation for her voice and opinions to be heard, not to be ignored.

Rosa Park has been an activist since her early attempts to free the "Scottsboro Boys", a case in which nine African American teenagers were accused of violating two American white women. In 1943, Parks became active in the civil rights community by joining the Montgomery chapter in the NAACP where she held the position of a secretary for the NAACP President E.D. Nixon and served as a youth leader until 1957.

Parks' responsibilities included fund-raising, attending meetings, which discussed the protection of black people's rights and sought to prevent injustice. Only 30 years old, Rosa Parks has contributed to the civil rights movement to demonstrate the change that is needed in the black community. She has seen the racial injustice and discrimination that the black community is facing each and every day. Instead of allowing the law to silence her voice, she has donated her commitment and time to the civil rights movement, hoping for the day the system will break, racial segregation will end and racism being no more.

December 1, 1955, Rosa Parks boards the Cleveland Avenue bus at 6:00 in the evening, after a long day at the Montgomery Fair department store. Not noticing the bus driver was James F. Blake, who had left her soaking in the rain in 1943, Parks had taken a seat in the "colored" section towards the middle of the bus which was specifically ten seats behind the section reserved for "whites". As bus travelled its regular route, the number of passengers began to increase resulting in the bus being filled with no seats left to spare.

Blake noticed that there two to three white passengers standing up and moved the "c

Postmodern Gandhi and Other Essays Lloyd I. Rudolph, Susanne Hoeber Rudolph, 2010-07-15 Gandhi with his loincloth and walking stick seems an unlikely advocate of postmodernism But in *Postmodern Gandhi* Lloyd and Susanne Rudolph portray him as just that in eight thought provoking essays that aim to correct the common association of Gandhi with traditionalism Combining core sections of their influential book *Gandhi The Traditional Roots of Charisma* with substantial new material the Rudolphs reveal here that Gandhi was able to revitalize tradition while simultaneously breaking with some of its entrenched values and practices Exploring his influence both in India and abroad they tell the story of how in London the young activist was shaped by the antimodern other West of Ruskin Tolstoy and Thoreau and how a generation later a mature Gandhi's thought and action challenged modernity's hegemony Moreover the Rudolphs argue that Gandhi's critique of modern civilization in his 1909 book *Hind Swaraj* was an opening salvo of the postmodern era and that his theory and practice of nonviolent collective action *satyagraha* articulate and exemplify a postmodern understanding of situational truth This radical interpretation of Gandhi's life will appeal to anyone who wants to understand Gandhi's relevance in this century as well as students and scholars of politics history charismatic leadership and postcolonialism
