- Reviser: the German word *revisieren* is common (German is not a native speaker of it) -> *Reviser* (not *Revisor*)
- *Sammlung* (literary collection) is impossible for us because the product being inquired is produced in other parts of Germany
- *Produktionsstandort* is not a word in German
- *Sammlung* is not a word that is possible to change in a particular inquiry where a name is/has to be specified (we will use *Produktionsstandort* if the consumer needs to follow the product production restrictions)
- *Produktionsstandort* is not a word that can be used as a title but is possible to use it there (before attaching the word) and to make use of the other (place, location), contact and several other (e.g. additional) information. (You could use the *Produktionsstandort* word, it may lead to results)
