STEELE, 2025 **In Dominant Love - Vol. 2: Respect - Ively D/S** G. Horsam, 2015-11-13 Short description Claudia knows exactly what she wants the love and total submission of Thomas under her authority Voluntarily but then with all consequences Thomas is certain Claudia has an overwhelming attraction to him and a FemDom relationship would be fascinating If only it wasn't all about 24/7 from the start The decision is not easy for Thomas because he is unable to predict the effects of such a relationship on the long run Sensitively but very strictly Claudia leads him from the very start on his way to becoming an attentive passionate and submissive partner For this she goes all out being an experienced FemDom The carrot and the stick tease and denial and keeping him chaste are but a few of the means she is using While the time of probation was all about breaking free Thomas' latent wants and he learned a basic obedience towards his Mistress the second volume is all about building a real D/s relationship The way for Thomas is hard but the goal is a fulfilling partnership marked by deep feelings between a dominant woman and a submissive man As already in the first volume the author draws on his own experiences and describes authentically what life in a D/s relationship is like In the attachment you can find a real slave contract a tested set of rules and a glossary of the specific terminology used in the text The described effects of being kept chaste are based on an original diary by the author For interested couples they may serve as an instruction For dominant women they almost offer a catalogue of ideas and in addition an insight in the emotional life of a slave The cycle In dominant love offers an insight into the life of couples where women dominate with their erotic force and their huge confidence FemDom Female dominance is the key word which connects a community of acquainted couples Each volume is telling a stand alone self contained story in the field of female dominance Contents D/s FemDom love bondage fixation humiliation cane pegs plug chastity dominance sadism SM power obedience slave Mistress tease denial cage high heels licking mask BDSM eroticism erotica discipline test admission into FemDom club Number of print pages 257 Number of words 67 056 Mistress Absolute Alex Jordaine, 2015-01-27 Robert's life changes forever when he allows himself to get drawn into the deviant world of sexually dominant Tessa and her best friend Hannah a powerful dominatrix In the dark erotic games the two women play with Robert they demonstrate how deliciously seductive and cruel they can be They take him on a journey of sexual awakening and Robert is forced to come to terms with himself as the profoundly submissive person he has always been deep inside But what had started as a partnership between Tessa and Hannah becomes a fierce competition when both decide that they want him exclusively as their personal slave The one who must decide which of them is to be his Mistress Absolute is Robert himself And it is an agonisingly difficult choice for him to have to make Praise for Alex Jordaine titles Multiple O's rating A real
