**Once Upon A Hill** Kalpish Ratna,2012-07-06 Exploring the world is easy today all one needs is the internet Getting to know the ground beneath one's feet is quite another story I began to look for the island on which I live and it wasn't there So began my quest Why was it difficult to read the landscape All its past had been viewed from ships at sea or from libraries in lands I had never been to All its history was hearsay and all its storytellers were dead I was an alchemist at the edge of discovery Andheri is where I stood and Andheri is geology on speed Hills explode rocks shudder and slide rivers slouch in culverts the sea is dismissed and the land sweats people at every pore Andheri is protean with mad caprice A lake in the industrial district memorializes lost fields a milestone marks a vanished road a blind alley recalls a king and our memorials are jailed in wire mesh with dire warnings in three languages We're going underground we're up in the air we'll do the metro wriggle the skywalk or trapeze we'll do the right green thing on a prayer and a concrete wing we'll flatten the hills push back the sea and we'll make even more room for the builder and me The idea of Andheri is shaped from the land it is built upon Who will uncover that for me How do you find something hidden in plain sight Begin in a village named for an epidemic witness an exorcism and enter a labyrinth Emerge with a mirage and meet a curious cartographer Journey 60 million years with a turtle and a frog Then finally find Gilbert Hill Once Upon A Hill is a plea from Kalpish Ratna to their city of Bombay Gilbert Hill is where our past and future are gathered Shall we revere this still point or as seems inexorable destroy it with our dance
