Muslims on the Americanization Path? Yvonne Yazbeck Haddad, John L. Esposito, 2000-05-11 Islam is the fastest growing religion in the United States There are more Muslims in America than in Kuwait Qatar and Libya together Leaving aside immigration and conversion birthrate alone ensures that in the first part of the twenty first century Islam will replace Judaism as the nation s second largest religion Like all religious minorities in America Muslims must confront a host of difficult questions concerning faith and national identity Can they become part of a pluralistic American society without sacrificing their identity Can Muslims be Muslims in a state that is not governed by Islamic law Will the American legal system protect Muslim religious and cultural differences Is there a contradiction between demanding equal rights and insisting on maintaining a distinctively separate identity Will the secular and or Judeo Christian values of American society inhibit the Muslim practice of religious faith While the Muslims of America are indeed on the path to Americanization what that means and what that will yield remains uncertain In this thoughtful and wide ranging volume fourteen distinguished scholars take an in depth look at these issues and examine the varied responses and opinions of the Muslim community

Resources in Education , 1989 **Keeping the Peace in the Cyprus Crisis of 1963-64** A. James, 2001-11-28 During

the Cold War the small state of Cyprus was of great strategic importance to the West Britain the United States and Nato all had valuable installations there and any armed conflict between Greek and Turkish Cypriots could easily suck two nearby Nato members Greece and Turkey into war When therefore intercommunal fighting broke out in Cyprus in December 1963 the West was deeply embarrassed This book examines the consequential efforts of first Britain and then the UN to keep the peace

The Dynamics of Exclusionary Constitutionalism Mazen Masri, 2017-02-09 What does Israel's definition as a Jewish and democratic state mean How does it affect constitutional law How does it play out in the daily life of the people living in Israel This book provides a unique and detailed examination of the consequences of the Jewish and democratic definition It explores how the definition affects the internal ordering of the state the operation of the law and the ways it is used to justify protect and regenerate certain features of Israeli constitutional law It also considers the relationship between law and settler colonialism and how this relationship manifests itself in the constitutional order The Dynamics of Exclusionary Constitutionalism offers a novel perspective on the Jewish and democratic definition rooted in constitutional theory and informed by a socio legal approach Relying on a wide range of court cases and statutes as well as secondary sources the book shows how the definition is deeply embedded in the constitutional structure and operates as a matter of law in a manner that concentrates political power in the hands of the Jewish citizens and excludes the Palestinian Arab citizens in Israel from the political process Mazen Masri's study is a timely intervention in an increasingly important question and is essential reading for those who want to understand Israel's character its relationship with the constitutional order and its impact on society

German Reich and Protectorate of Bohemia and Moravia September 1939-September 1941 Andrea Löw, 2020-07-20 Executive editor Andrea L w English language edition prepared by Caroline Pearce Georg Felix Harsch and Dorothy Mas This volume chronicles the situation of the Jews in the German Reich and in the so called Protectorate of Bohemia and Moravia between the start of the Second World War and September 1941 The German authorities used the start of the war on 1 September 1939 as an opportunity to intensify the campaign against the supposed

enemies within primarily the Jews Thousands of Jews were expelled to Poland and France in initial deportations Emigration or flight became virtually impossible In February 1941 a Jewish woman from Vienna feared for her parents We know now that there is no age limit everyone is being sent away little children the very old even sick people are taken from the hospital and transported somewhere into uncertainty into misery The volume documents the increasing isolation of the German and Czech Jews and the plans and ambitions of their persecutors in the period leading up to the systematic deportations Learn more about the PMJ on <https://pmjdocuments.org>

National Security and Double Government Michael J. Glennon, 2014-09-10 Why has U S security policy scarcely changed from the Bush to the Obama administration National Security and Double Government offers a disquieting answer Michael J Glennon challenges the myth that U S security policy is still forged by America's visible Madisonian institutions the President Congress and the courts Their roles he argues have become largely illusory Presidential control is now nominal congressional oversight is dysfunctional and judicial review is negligible The book details the dramatic shift in power that has occurred from the Madisonian institutions to a concealed Trumanite network the several hundred managers of the military intelligence diplomatic and law enforcement agencies who are responsible for protecting the nation and who have come to operate largely immune from constitutional and electoral restraints Reform efforts face daunting obstacles Remedies within this new system of double government require the hollowed out Madisonian institutions to exercise the very power that they lack Meanwhile reform initiatives from

without confront the same pervasive political ignorance within the polity that has given rise to this duality The book sounds a powerful warning about the need to resolve this dilemma and the mortal threat posed to accountability democracy and personal freedom if double government persists

Deterrence under Uncertainty: Edward Geist,2023-10-10 For decades films such as WarGames and The Terminator have warned that the combination of artificial intelligence and nuclear weapons might be a recipe for an apocalypse Might these prophecies of doom become reality in coming decades Using insights from computer science Deterrence under Uncertainty Artificial Intelligence and Nuclear Warfare evaluates how AI could make nuclear war winnable and whether that possibility is likely Detailed chapters explain how the landscape of nuclear deterrence is changing and debunks the myths of machine intelligence and nuclear weapons This book gives a practitioner s perspective on how artificial intelligence and other emerging technologies could change the role of nuclear weapons in international relations

Complete Sourcebook on Children's Software ,1999 The Occupy Movement Explained Nicholas Smaligo,2014-07-21 The Occupy Movement Explained is a readable compact account and analysis of the Occupy protests by a scholar who participated in several Occupy events The book is thoroughly researched painstakingly accurate and fully documented It debunks a number of myths and misunderstandings that have become rife Nicholas Smaligo shows how the movement arose out of radical currents that have been active below the media s radar since the 1970s Occupiers are not all the same and the author reviews some of the debates and changes within the movement The occupations began under a slogan that conjured up a naive sense of unity We Are the 99% It did not take very long for that sense of unity to give way to an appreciation of just how socially economically and ideologically fragmented American society is For some this was an excuse to return to their cynicism for others it was an invitation to lose their illusions and begin to see the world from the viewpoint of political activists The Occupy Movement Explained describes this process of education and the lessons learned about the 99% the police direct democracy political demands and the intimately related questions of social change violence and property
