Oxford Textbook of Clinical Nephrology Neil N. Turner, Norbert Lameire, David J. Goldsmith, Christopher G. Winearls, Jonathan Himmelfarb, Giuseppe Remuzzi, 2015-10-29 This fourth edition of the Oxford Textbook of Clinical Nephrology builds on the success and international reputation of the publication as an important resource for the practising clinician in the field. It provides practical scholarly and evidence based coverage of the full spectrum of clinical nephrology written by a global faculty of experts. The most relevant and important reference to clinical nephrology, this is an authoritative and comprehensive textbook combining the clinical aspects of renal disease essential to daily clinical practice with extensive information about the underlying basic science and current evidence available. Each section of the textbook has been critically and comprehensively edited under the auspices of a leading expert in the field. This new edition has been significantly expanded and reapportioned to reflect developments and new approaches to topics and includes treatment algorithms to aid and enhance patient care where possible. The fourth edition offers increased focus on the medical aspects of transplantation, HIV associated renal disease and infection and renal disease alongside entirely new sections on genetic topics and clinical and physiological aspects of fluid electrolyte and tubular disorders. The emphasis throughout is on marrying advances in scientific research with clinical management. Richly illustrated throughout in full colour, this is a truly modern and attractive edition which reinforces the Oxford Textbook of Clinical Nephrology's position as an indispensable reference work of consistent quality and reliability. Enriched and refined by careful revision, this new edition continues the tradition of excellence. This print edition of The Oxford Textbook of Clinical Nephrology comes with a year's access to the online version on Oxford Medicine Online. By activating your unique access code, you can read and annotate the full text online, follow links from the references to primary research materials and view, enlarge and download all the figures and tables. Oxford Medicine Online is mobile optimized for access when and where you need it. *South African National Bibliography*, 1998-07 **Oxford Textbook of Obstetrics and Gynaecology** Sabaratnam Arulkumaran, William Ledger, Lynette Denny, Stergios Doumouchtsis, 2019-12-23 The Oxford Textbook of Obstetrics and Gynaecology is an up to date, objective and readable text that covers the full speciality of Obstetrics and Gynaecology. This comprehensive and rigorously referenced textbook will be a vital resource in print and online for all practising clinicians. Edited by a team of four leading figures in the field whose clinical and scientific backgrounds collectively cover the whole spectrum of Obstetrics and Gynaecology, with particular expertise in fetomaternal medicine and obstetrics, gynaecological oncology, urogynaecology and reproductive medicine, the textbook helps inform and promote evidence based practice and improve clinical outcomes.

Lessons in Educational Equality Jody Heymann,Adele Cassola,2011-11-02 Lessons in Educational Equality details the concrete ways that all children can reap the benefits of a quality education regardless of gender ethnicity language income or learning difference It combines global research by leading innovators and unique case studies from three continents to find approaches that work at all levels of education *Governance and sector outcomes* Anna Wetterberg,Derick W. Brinkerhoff,2018-09-27 A critical issue in international development is how donor funded programs can support sustainable and long lasting changes in assisted countries Among the factors associated with sustainability is improved governance However many donor funded initiatives are focused on achieving results in specific sectors such as health education and agriculture How can how governance interventions contribute to achieving sector specific results This brief explores this question and discusses how international development practice has incorporated recognition of the links between governance and sector outcomes The brief develops a stylized continuum of how governance elements relate to sector interventions and contribute to expected outcomes We discuss factors that either impede or impel governance integration and close with some observations regarding prospects for integrated programming The audience for the brief is the international development policy and practitioner communities and secondarily academics with an interest in the topic Key take aways include 1 there is ample evidence of positive contributions from improved governance to sector specific outcomes

but few guideposts exist for practical and effective governance integration 2 barriers to integration include urgent sector priorities that overshadow governance concerns requirements to demonstrate progress towards ambitious sector targets and complex choices related to measurement and 3 sustainability and self reliance are major drivers for integration and are facilitated by the flexibility and adaptation that governance integration enables *The Farmer & Stock-breeder* ,1927
