How to Begin When Your World Is Ending Molly Phinney Baskette, 2022-11-15 Moving witty and probing Molly Baskette's practical and spiritual perspective will appeal to readers of Lori Gottlieb's *Maybe You Should Talk to Someone* and Kate Bowler's *Everything Happens for a Reason*. As a progressive parish minister Molly Baskette has been a companion during the most vulnerable traumatized and unsettled

periods of many people's lives She has also had a front row seat to remarkable human transformation as many of the ruptures her people lived through turned out to be the way that God got in But when she was diagnosed with an aggressive cancer at age thirty nine with two small children her theology of and relationship to God was tested more profoundly than ever Instead of becoming despondent though she engaged with her faith more deeply seizing the opportunity to test the seaworthiness of the faith she had been practicing and preaching In *How to Begin When Your World is Ending* Baskette shares the questions that confronted her along the way like Is it true that prayer changes things Does God care whether we live or die and is there a damn thing God can do about it anyway How can vulnerability counterintuitively be a strength And the million dollar question is there life after death and just what might it be like Weaving together her own story and the stories of those she encountered in her life of faith Baskette mines joy from all the hardest parts of being human In doing so she reminds us that whatever you are going through someone has been there before you and found meaning in the madness
