Gold Standard Blowback The beginning of the modern Tea Party The Constitution And most importantly Liberty *The Tea Party Explained* Yuri Maltsev, Roman Skaskiw, 2013-10-15 The Tea Party showed its strength in the 2010 mid terms Despite the opposition of leading Republicans like Dick Cheney Karl Rove and Lindsey Graham 140 Tea Party candidates ran for Congress Of the sixty House seats which moved from Democratic to Republican control twenty eight were won by Tea Party candidates At the movement s height 29 percent of Americans had some ties to the Tea Party while 2 percent identified themselves as active members The Tea Party first attracted the media spotlight with Rick Santelli s televised rant against the government s bailout of mortgage borrowers on February 19 2009 which instantly went viral as a video As the authors document however tea parties associated with the Ron Paul movement had already been gathering momentum for more than a year Beginning as a protest against government spending sprees and ballooning deficits the Tea Party s sudden fame forced it to define itself on many issues where the membership was seriously divided The Tea Party is a coalition of different outlooks united only by belief in small debt free government and low taxes Fiscal conservatives who were usually liberal on social issues and against American military interventions battled social conservatives in an uneasy series of maneuvers which continues unresolved and is described in the book *The Tea Party Explained* written by two Tea Party activists who know the movement inside and out is aimed at the intrigued and curious reader who wants to find out more about this unique phenomenon The book gives a well documented account of the Tea Party its origins its evolution the bitter squabbles over its direction its amazing successes in 2010 and its electoral rebuff in 2012 Maltsev and Skaskiw analyze the demographics of the Tea Party the many organizations which have tried to represent appropriate or infiltrate the movement and the ideological divisions in its ranks The authors evaluate the strengths and weaknesses of the Tea Party and its likely future impact A movement with strong local roots in many cities firmly supported by a quarter of the US population will not evaporate after one big defeat and can be counted on to influence events for decades to come *Purging the Republican Party* Ronald T. Libby, 2013-11-22 This is the first book that explains the Tea Party s successful primary campaign against Republicans in Name Only RINOs Grassroots Tea Party activists adopted this strategy in 2009 shortly after the movement emerged The first successful campaign occurred in upstate New York where the Tea Party defeated Dede Scozzafava a RINO running for congress in a Republican primary that only elected Republicans to office during the previous 100 years Armed with success they defeated conservative Utah Senator Bob Bennett an eighteen year veteran and then proceeded to defeat the popular Republican RINO governor of Florida Charlie Crist and elected the virtually unknown Tea Party candidate Marco Rubio This placed all Republicans on notice that if they do not follow conservative fiscal policies they could be primaried The Tea Party s goal is to take control of the Republican Party and return it to its original fiscal conservatism **This Land is My Land** James R. Skillen, 2020-08-10 Among American conservatives the right to own property free from the meddling hand of the state is one of the most sacred rights of all But in the American West the federal government owns and oversees vast patches

of land complicating the narrative of western individualism and private property rights As a consequence anti federal government sentiment has animated conservative politics in the West for decades upon decades In This Land Is My Land James R Skillen tells the story of conservative rebellion ranging from legal action to armed confrontations against federal land management in the American West over the last forty years He traces the successive waves of conservative insurgency against federal land authority the Sagebrush Rebellion 1979 1982 the War for the West 1991 2000 and the Patriot Rebellion 2009 2016 and shows how they evolved from regional revolts waged by westerners with material interests in federal lands to a national rebellion against the federal administrative state Cumulatively Skillen explains how ranchers miners and other traditional users of federal lands became powerful symbols of conservative America and inseparably linked to issues of property rights gun rights and religious expression Not just a book about property rights battles over Western lands This Land is My Land reveals how the evolving land based conflicts in the West since the 1980s reshaped the conservative coalition in America a development that ultimately helped lead to the election of President Donald J Trump in 2016

America for Sale Jerome R. Corsi, 2009-10-13 A RESOUNDING CALL TO DEFEND AMERICA S SOVEREIGNTY AND SAVE OUR NATION FROM GLOBAL ECONOMIC TAKEOVER FROM THE 1 NEW YORK TIMES BESTSELLING AUTHOR OF THE OBAMA NATION AND THE LATE GREAT USA Between President George W Bush s new world order and the unprecedented governmental growth and massive redistribution of wealth under President Barack Obama the United States risks losing the greatest middle class ever created in the history of the world In his groundbreaking new book Dr Jerome R Corsi blows the whistle on a movement to undercut the fundamental principles of limited government that our Founding Fathers fought for and died for trying to establish As policy makers manipulate the economic panic of our times to advance a globalist agenda that threatens American sovereignty we must protect our independent and self governing nation and preserve the decades of economic power and military strength we have enjoyed since the end of World War II In America for Sale Corsi explains the globalists plan to put America on the chopping block While the radical Left promotes socialism and the radical Right champions unbridled free trade valuable jobs are being outsourced our national borders erased and our dollar destroyed before our very eyes Foreign investors are buying up U S assets from financial services firms to public infrastructure such as highways We are on our way to a European Union type North American common market and a one world government With constructive solutions for resisting the global New Deal reversing our dependence on foreign oil and strengthening our middle class Corsi shares important and practical strategies to help American families survive an imminent economic depression The United States can be a major player in the world economy without sacrificing our sovereignty the strength of our national domestic economy or the dollar America is for sale unless taxpayers stand up and say NO to the globalist political agenda that threatens our great nation s freedom **Political Parties, Pressure Groups and Social Movements** Dr. Ram Ayodhya Singh, 2021-09-15 A political party is a political organization that typically seeks to influence

government policy usually by nominating their own candidates and trying to seat them in political office Parties participate in electoral campaigns and educational outreach or protest actions Parties often espouse an expressed ideology or vision bolstered by a written platform with specific goals forming a coalition among disparate interests An advocacy group is a group or an organization which tries to influence the government but does not hold power in the government A single issue group may form in response to a particular issue area sometimes in response to a single event or threat Some have developed into important social political institutions or social movements Some powerful Lobby groups have been accused of manipulating the democratic system for narrow commercial gain and in some instances have been found guilty of corruption fraud bribery and other serious crimes lobbying has become increasingly regulated as a result Some groups generally ones with less financial resources may use direct action and civil disobedience and in some cases are accused of being a threat to the social order or domestic extremists Research is beginning to explore how advocacy groups use social media to facilitate civic engagement and collective action

The ^ARise and Fall of the Neoliberal Order Gary Gerstle,2022-03-01 In *The Rise and Fall of the Neoliberal Order* Gary Gerstle provides a sweeping re interpretation of the entire era from the revival of market liberalism in the 1970s to the ruin generated by the 2008 global financial crisis that places America at the center For many neoliberalism is a term of opprobrium and their critique of it is simple it prioritizes free market principles over people and under the guise of expanding individual choice throughout the world has dramatically shifted power toward capital While sympathetic to the regime s critics Gerstle contends that the largely negative conventional wisdom misses the full contours of what neoliberalism was and why its worldview exerted such persuasive hold on both right and left for so long

Third Parties, Outsiders, and Renegades Melissa M. Smith,2022-02-07 *Third Parties Outsiders and Renegades* analyzes 10 third party outsider or renegade presidential candidates and explores each one s impact on the political process The list of modern outsider candidates who have attracted the public s attention is fairly long but most of the time the candidates never garner enough support to become elected or they self destruct somewhere along the way A few however have taken votes away from more mainstream candidates and changed the course of political parties or election outcomes This book provides readers with an analysis of how their rhetoric political tactics and issues have challenged the political status quo and impacted later campaigns The future viability of outsider candidates is discussed in light of current political polarization and the legacy of Donald J Trump the first elected outsider president and considers how outsider candidates might be able to compete in upcoming elections given the current political divisions within the nation Scholars and students of communication political science and rhetoric will find this book particularly interesting

The Patriot's Guide to Taking America Back Charles Kraut,2011 Every American over the age of

fifteen needs to read this book the Constitution of the United States is the most important political document in the history of the human race it enshrines natural rights instead of the terribly destructive human rights which are being forced upon us Very few Americans Understand The Constitution which is why our government has been able to trample and discard it with little or no protest The Patriot s Guide to Taking America Back explains in simple clear language exactly how far we have moved from the Constitution and why America faces so many problems today most of which have been caused by our government The Patriot s Guide offers a plan by which Americans may take America back To The Constitution and regain the sacred freedoms we seem to be willing to throw away If you think something is terribly wrong in America today you re right The Patriot s Guide will help you Understand The problem And The solution *Letter to a Liberal Generation* James Tyler,2010-05-13 In this provocative poignant letter James Tyler outlines what he believes to be wrong with the policies that his generation is purporting James outlines powerful arguments against the secular left and neoconservative agenda in favor of a constitutionalist approach to public policy Bill Mohr Chairman of the US Taxpayers Party of Michigan wrote the foreword and had this to say In this book Mr Tyler has revealed his ability to reason and develop thoughts to reach a solid conclusion He makes the case for a continuation of what used to be He is concise and to the point allowing for no excuses His love for God and his country flow out with every page JAMES TYLER is the author of *Exit 41 Life in Small Town Michigan* and *Young and Conservative* a blog you can find at jamestyler.org **True Believers** Kurt Andersen,2013-07-16 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post San Francisco Chronicle In *True Believers* Kurt Andersen the New York Times bestselling and critically acclaimed author of *Heyday* and *Turn of the Century* delivers his most powerful and moving novel yet Dazzling in its wit and effervescent insight this kaleidoscopic tour de force of cultural observation and seductive storytelling alternates between the present and the 1960s and indelibly captures the enduring impact of that time on the ways we live now Karen Hollander is a celebrated attorney who recently removed herself from consideration for appointment to the U S Supreme Court Her reasons have their roots in 1968 an episode she s managed to keep secret for more than forty years Now with the imminent publication of her memoir she s about to let the world in on that shocking secret as soon as she can track down the answers to a few crucial last questions As junior high school kids back in the early sixties Karen and her two best friends Chuck and Alex roamed suburban Chicago on their bikes looking for intrigue and excitement Inspired by the exotic romance of Ian Fleming s James Bond novels they acted out elaborate spy missions pitting themselves against imaginary Cold War villains As friendship carries them through childhood and on to college in a polarized late sixties America riven by war and race as well as sex drugs and rock and roll the bad guys cease to be the creatures of make believe Caught up in the fervor of that extraordinary and uncanny time they find themselves swept into a dangerous new game with the highest possible stakes Today only a handful of people are left who know what happened As Karen reconstructs the past and reconciles the girl she was then with the woman she is now finally sharing pieces of her secret past

America's Next Bill Of Rights Jeff Badyna,2009-08-31 I wanted to create a sequel to James Madison s Bill of Rights because the current political environment deemed it was necessary My inspiration happened when I read some books and I became aware of issues that didn t jive with what was obviously the common good So I took the framework of the first Bill of Rights and began researching what should be the next 10 Amendments based on how they address a plethora of today s political and social issues As I ve spent the last few years contemplating issues that should clearly be Rights it s been incredibly disheartening to notice I m probably the only person in America thinking about the America s next 10 Constitutional Amendments There s a mainstream media and a bunch of politicians who are too busy playing political football when they should be focused on your Rights and Freedoms But that can change

5 Steps to Freedom Jeff Nabers,Phoebe Chongchua,2009-07 Nabers and Chongchua reveal illusions that create an invisible bondage that stands in people s way of being able to keep what they have and live the life they want They examine a dozen real life case studies to show how to escape financial slavery

The Good Coup Marco Cáceres di Iorio,2010 Honduras is known as the classic Banana Republic a characterization of a politically backward country ruled by a tiny wealthy class The phrase was coined by the North American writer O Henry in his book Cabbages and Kings It conveys the image of a nation plagued by military coup d tats historically undeniable in the case of Honduras The controversial overthrow of President Manuel Zelaya on June 28 2009 represents a watershed in Honduran history Was President Zelaya an innocent victim of the military and judicial systems or did government officials act wisely in rescuing Honduras from a president intent on remaining in power indefinitely and dismantling the country s democratic institutions Although it awakened memories of past coups it is unclear whether this was a traditional or a hybrid coup featuring some elements of what the world tends to associate with coups but lacking others The collection of short essays in this book offers personal

insights on these questions and on a wide range of events themes and philosophical struggles that defined the political crisis in Honduras About the Author Marco C ceres di Iorio is the editor of the online newspaper Honduras Weekly He is also the cofounder of projecthonduras.com an international network of volunteers involved in humanitarian development projects aimed at empowering the people of Honduras He directs the annual Conference on Honduras in the town of Cop n Ruinas in northwestern Honduras He was born in Tegucigalpa
