day you were young and you too wanted to write forecasts and you too found that to envisage the future was arduous that old
ways of thinking and status quo ante judgments of value imposed themselves upon your mind and made you despair of the
true estimate and the adequate phrase And you found that however unclouded your own faculty of prognostication you
searched in vain for the magic touch which would interpret the future for your older contemporaries take them forward with
you and make them see it with your eyes your presuppositions If you could be now what you were then though it be farther
than ever removed from the new days of which this book is an awful warning you would be more disposed to bear a young
man s nightmares with patience and allow for him where he has exaggerated and pardon him where he has erred
