instruction manual but sections have been re written and now contain information which can be very useful to a roulette player with or even without the software whether they are playing for fun or for real in a casino or on line The software is accessed by logging onto our web site and enrolling for one of the 3 6 or 12 month membership options but the book can be purchased separately In addition to gaining some useful information about roulette without membership buying the book allows you to learn exactly how the software works and what additional benefits you might get this will help you make the most of your membership of Roulette Cracker [www Roulette Cracker co uk](http://www.RouletteCracker.co.uk) *The New Gambler's Bible* Arthur S.
