State officials generally are taking particular notice of persons associated with the organizations targeted in the 9/11 attacks, but it is not clear whether this is due to bias. There is little to suggest that individuals from the same religious or ethnic background are being targeted. There is also no evidence that individuals from the same geographic area are being targeted. There is also no evidence that individuals from the same geographic area are being targeted. There is also no evidence that individuals from the same geographic area are being targeted.

—The first sentence, "I have no doubt that the world is a better place than it was when I was born," is a statement of fact. The second sentence, "I have no doubt that the world is a better place than it was when I was born," is a statement of opinion.
