Content - The Atomic Particle of Marketing Rebecca Lieb,2017-06-03 DISTINGUISHED FAVOURITE NYC Big Book
Awards 2017 Content in all its forms is the single most critical element of any marketing campaign Finding a successful
equilibrium between content marketing and content strategy is difficult but essential Content The Atomic Particle of
Marketing goes beyond superficial descriptions of how to produce engaging social media content to offer the results of many
years of deep quantitative research and hours of interviews with senior marketers at some of the world s leading brands
Written by a recognized industry thought leader Content The Atomic Particle of Marketing explores how content functions in
the broader framework of all marketing as well as organizational concerns and IT decision making It demonstrates the value
content brings not only to owned media initiatives such as a company website or blog but also the essential role content plays
in all other marketing initiatives from social media to advertising to offline channels It will enable readers to make the
organizational staffing tools and process decisions necessary to get content up and running across divisions and
organizational silos Deeply researched and insightful Content The Atomic Particle of Marketing is quite simply the definitive
