**English Translation of the Holy Quran** Maulana Muhammad Ali, 2011-01-19 Language updated and notes abridged by the Editor The English translation of the Holy Quran with extensive explanatory footnotes by Maulana Muhammad Ali d 1951 was first published in 1917 Due to changes in the usage and teaching of English in the second half of the twentieth century such a reader today is much less familiar with certain forms and styles of literary expression used in the translation than was the case with previous generations To bring the language closer to the general readership it became necessary to replace some expressions by more modern forms This has been my aim in producing the present updated version of the translation
