Allah Finding Jesus Video Study 9780310520429 sold separately Study Guide and Workbook for Spiritual and Church Renewal James M. Dawsey, Sharon E. Wright, Scott Sikes, 2025-02-10 The decline this century in church attendance has been pronounced And polls show disconcerting ignorance about religious matters even among churchgoers Is there a path to spiritual and church renewal And what will become the shape of American Christianity this century As an accompanying volume to James M Dawsey's Handbook for the Christian Faith this workbook offers a summary of essential beliefs and practices of the faith identifies significant terms names dates and events in church history lists themes and materials to be learned provides exercises and suggests additional readings to enhance understanding The materials will prove of interest to all wanting to understand the role played by Christianity in western culture and to decipher the chaos of present day American Christianity But the Study Guide and Workbook for Spiritual and Church Renewal will be especially useful to Christians working through the Handbook for the Christian Faith reflecting more deeply on the meaning of the Christian heritage and seeking to discern a right path for contemporary Christianity The exercises in this workbook extend beyond understanding Christianity as a religion to readers better understanding themselves as Christians How shall we be faithful No God but God Geneive Abdo, 2002-10-24 Shrouded in mystery the Islamic presence in the Middle followers of Christ East evokes longstanding Western fears of terrorism and holy war Our media have consistently focused on these extremes of Islam overlooking a quiet yet pervasive religious movement that is now transforming the nation of Egypt Drawing on hundreds of interviews No God But God opens up previously inaccessible segments of Egyptian society from the universities and professional sectors to the streets to illustrate the deep penetration of Popular Islamic influence Abdo provides a firsthand account of this peaceful movement allowing its moderate leaders street preachers scholars doctors lawyers men and women of all social classes to speak for themselves Challenging Western stereotypes she finds that this growing number of Islamists do not seek the violent overthrow of the government or a return to a medieval age Instead they believe their religious values are compatible with the demands of the modern world They are working within and beyond the secular framework of the nation to gradually create a new society based on Islamic principles Abdo narrates fascinating accounts of their methods and successes Today for example university students meet in underground unions despite a state ban In addition sheikhs have recently used their new legislative power to censor books and movies deemed to violate religious values Both fascinating and unsettling Abdo s findings identify a grassroots model for transforming a secular nation state to an Islamic social order that will likely inspire other Muslim nations This model cannot be ignored for it will soon help organized Islamists to undermine secular control of Egypt and potentially jeopardize Western interests in the Arab world

Connect the Dots Bible Study Guide Pamela Cloonan,2007-02 This study draws a picture of the Fathers heart by tying together the fundamental scriptures of Christian faith Cloonan provides a shortcut for readers who hunger for insight into the heart of God Christian Gospel Coach Scott Thomas, Tom Wood, 2012-05-08 In order to help pastors and other Christian leaders to lovingly lead God s flock to Jesus Christ and into God s mission Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself a process in which leaders stir up the gifts passion and calling upon others lives This book addresses the needs of the leader his or her sinful tendencies and church leadership issues It directs the leader to the person and work of Jesus It provides a system to intentionally shepherd leaders to glorify God in their personal spiritual and missional lives Many ministry leaders serving in churches find themselves overwhelmed disillusioned and depressed by the enormous and challenging task of leading and ministering in a congregation As a result the ministry suffers the leaders suffer and the result is often an unhealthy church existent with little or no Gospel influence These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd

Jesus Christ We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding We suggest that every church leader needs a Gospel Coach to come alongside with words of truth wisdom and experience to encourage admonish comfort and help words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles 1 Know the sheep 2 Feed the sheep 3 Lead the sheep and 4 Protect the sheep A Gospel Coach both inquires about the personal spiritual and missional aspects of a ministry leader s life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin and leads the ministry leader back to the Gospel through belief repentance and obedience Churches that desire to be rich in a Gospel application toward their city their relationships with one another their communication and worship as well as their service will benefit to a greater degree by having their leaders being coached by a Gospel centered leader God the Creator Bible Study Guide plus Streaming Video Randy Frazee, 2021-06-22 Heaven and earth are woven more closely together than we might think In this 8 session video Bible study streaming included enter the creation of the world and the first movements of God's perfect plan to deliver his people Throughout the Bible from its very first pages to the culmination of Christ's return there are two parallel dramas unfolding The lower story which describes the events from our human perspective The upper story which reveals how the events unfold from God's perspective The objective of God the Creator the first in a series of three small group studies in The Story series is to introduce you to these lower and upper stories as told in the Old Testament books of Genesis through Ruth As you read these narratives featuring characters such as Adam Eve Abraham Sarah Joseph Moses Joshua Gideon and Ruth you will see how God has been weaving our lower story into the greater upper story that he has been writing This study guide has everything you need for a full Bible study experience including The study guide itself with discussion and reflection questions video notes and Scripture readings An individual access code to stream all eight video sessions online you don't need to buy a DVD Sessions include The Beginning of Life as We Know It Genesis 1 11 God Builds a Nation Genesis 12 36 From Slave to Deputy Pharaoh Genesis 37 50 Deliverance Exodus 1 17 Wanderings Exodus 18 Numbers 27 The Battle Begins Joshua 1 24 A Few Good Men and Women Judges 1 21 The Faith of a Foreign Woman Ruth 1 4 The God the Creator Study Guide is part of The Story Bible Study Series a three part Bible study drawn from Randy Frazee's bestselling The Story which reveals the Bible as a single continuous narrative of God and his people Streaming video access code included Access code subject to expiration after 12 31 2027 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside
