Noah And The Ark The New Beginning:

New Beginnings Fred Sherrod, 2013-05-17 As the divinely inspired Word of God the primary purpose of the Bible is to probe the depths of the human heart more skillfully and purposefully than any surgeon could possibly imagine With this in mind my intent in *New Beginnings* is to follow the riveting narratives of Genesis and Acts with a primary emphasis on the devotional and inspirational elements From a Christian perspective I cannot imagine four beginnings with more historical significance than those emphasized in these two informative books 1 the creation of the world with all its living things 2 the foundation of Israel Gods chosen nation 3 the establishment of the Church the Body of Christ and the most incredible beginning of all 4 people from every walk of life being born again by the power of the gospel My personal perceptions and convictions have evolved from a background of thirty three years using the scientific method in chemical research and even longer exploring the eternal truths of the Bible as a Christian and minister I might add that the practical experiences I gained as a husband father of two girls and bivocational pastor prevent my viewpoints from being too esoteric or theoretical in nature Whether a casual reader or serious student of the Bible I hope you find *New Beginnings* informative if not illuminating interesting if not stirring and encouraging if not inspiring Finally if your Christian fervor needs rekindling my prayer is that these pages nourish and revitalize you like a steaming bowl of my mothers chicken soup on a cold rainy day
