When Nobody's Looking Louise Tondreau-Levert, 2005 When their exhausted parents are not looking the children get into trouble by playing tricks having a pillow fight and misplacing the dog

Nobody's Perfect Annabel M. Patterson, Professor Annabel Patterson, 2002-01-01 Is history driven more by principle or interest Are ideas of historical progress obsolete Is it unforgivable to change one's mind or political allegiance Did the eighteenth century really exchange the civilizing force of commercial advantage for political conflict In this new account of liberal thought from its roots in seventeenth century English thinking to the end of the eighteenth century Annabel Patterson tackles these important historiographical questions She rescues the term whig from the low regard attached to it denies the primacy of self interest in the political struggles of Georgian England and argues that while Whigs may have strayed from liberal principles on occasion nobody's perfect nevertheless many were true progressives In a series of case studies mainly from the reign of George III Patterson examines or re-examines the careers of such prominent individuals as John Almon Edmund Burke Sir Joshua Reynolds Thomas Erskine and at the end of the century William Wordsworth She also addresses a host of secondary characters reshaping our thinking about both well known and lesser figures of the time Tracking a coherent sustained and adaptable liberalism throughout the eighteenth century Patterson overturns common assumptions of political cultural and art historians The author delivers fresh insights into the careers of those who called themselves Whigs their place in British political thought and the crucial ramifications of this thinking in the American political arena Book jacket

When Nobody's Listening Diamant Salihu, 2025-04-07 In a quiet little town in northern France an improbable sequence of events takes place which will go on to transform completely the struggle against organised crime in Europe It all starts when the French cybercrime police hacks into an encrypted service called Encrochat suddenly anonymity crumbles and murder contracts and drug deals become visible on the screen Police are able to follow communications between drug couriers gang leaders and teenage hitmen in real time To save lives the police must respond quickly but must also be careful not to reveal that they're listening In As unexpected arrests of criminals grow increasingly frequent criminal networks come into view with nodes dotted all across Europe all prepared to do whatever it takes to gain control of the drug trade One name in particular will come to haunt the investigators the Kurdish Fox a notorious gang leader with ambitions to become the Pablo Escobar of Scandinavia Diamant Salihu's gripping story lifts the veil on a shadowy underworld swathed in secrecy but responsible for some of today's most violent crimes

Nobody's Perfect Anthony Lane, 2003-09-09 Anthony Lane on Con Air Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load Big deal You should try the lunches they serve out of Newark Compared with the chicken napalm I ate on my last flight the men in Con Air are about as dangerous as balloons Anthony Lane on The Bridges of Madison County I got my copy at the airport behind a guy who was buying Playboy's Book of Lingerie and I think he had the better deal He certainly looked happy with his purchase whereas I had to ask for a

paper bag Anthony Lane on Martha Stewart Super skilled free of fear the last word in human efficiency Martha Stewart is the woman who convinced a million Americans that they have the time the means the right and damn it the duty to pipe a little squirt of soft cheese into the middle of a snow pea and to continue piping until there are fifty to sixty stuffed peas raring to go For ten years Anthony Lane has delighted New Yorker readers with his film reviews book reviews and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton Nobody's Perfect is an unforgettable collection of Lane's trademark wit satire and insight that will satisfy both the long addicted and the not so familiar Nobody's People Anastasia Piliavsky, 2020-11-24 What if we could imagine hierarchy not as a social ill but as a source of social hope Taking us into a caste of thieves in northern India Nobody's People depicts hierarchy as a normative idiom through which people imagine better lives and pursue social ambitions Failing to find a place inside hierarchic relations the book's heroes are nobody's people perceived as worthless disposable and so open to being murdered with no regret or remorse Following their journey between death and hope we learn to perceive vertical non equal relations as a social good not only in rural Rajasthan but also in much of the world including settings stridently committed to equality Challenging egalitarian normative commitments Anastasia Piliavsky asks scholars across the disciplines to recognize hierarchy as a major intellectual resource Nobody's Fault Netta Syrett, 1896 **The Club of "Nobody's Friends,"** Nobody's Friends, London, 1885 *Nobody's Home*

Dubravka Ugrešić, 2008 In her long career Ugresic has published several novels e.g. The Ministry of Pain but she made her name with her essay collections which have caused controversy and earned her the admiration of writers and critics abroad In these latest musings written over the course of several years Ugresic leaves no stone unturned and no thought contained doing what she does best writing about the human condition through her own experience Refusing to establish a central theme she touches upon a wide range of topics the paradox of multiculturalism metaphors as our defense against nightmares the eerie similarities between capitalism and communism and ways in which we try to rise hopelessly above our less than perfect existence Along the way she pays homage to the works of literature that have influenced her own creative process in an effort to pay a symbolic literary tax on narcissism because writing is not the humblest of vocations Perhaps not but Ugresic certainly knows how to balance being a critic with being criticized Recommended for all libraries collecting cultural criticism Mirela Roncevic Library Journal Copyright Reed Business Information a division of Reed Elsevier Inc All rights reserved
