fantasy for a lot of men into femdom or humiliation and or I should say actually transitioning from fantasy to reality is something most people struggle with And if you re part of that large group I understand It wasn t always easy for me to convince MY S O s at the time to participate in this wonderful form of play and some flat out denied at the time It took me a long long time to understand what really works in terms of BOTH partners being REALLY emphasis open to the fantasy and play and fully embracing their respective roles in it Remember cuckolding takes things one step further Until now you ve likely limited your play no matter how base or humiliating to your Lady and yourself or perhaps other ladies on occasion but if you re a guy you ve likely never brought other men into the picture although you ve wanted to many a times And if you re a dominant lady you ve probably often wondered just why exactly you can t bring other men in on command to satisfy you but have yet struggled with the I m in a relationship conundrum and then never gone ahead with the fantasy But our base desires and fantasies never go away my friend We are who we are a deep subconscious level and the subconscious will KEEP pushing your base desires to the surface until they re met Have you ever noticed that the things you think about the most are the things that HAPPEN in your life The thoughts that you put the most emotion into be they positive or negative are what makes events manifest in your life and this is a truism that cannot be escaped whether we re talking vanilla life or BDSM The subconscious is key to who we are and it is key to get the subconscious to accept what we do on a sexual level as well as in real life to avoid any sort of emotional backlash from our actual physical actions and my experience in this regard combined with my extensive experience with femdom and related areas in general makes me the best person to bring you these tips in an easy to understand down to earth yet brutally frank manner that characterizes all my writings And THIS is where most cuckold relationships end up failing as deep down inside people struggle to accept the fantasy for what it is and therefore attempts to translate it into reality end in failed relationships misery for both the partners and way worse And many many years ago yours truly was no exception to the rule either I ve had plenty of homosexual fantasies and encounters along those lines as well which initially left me feeling powerless and used but upon probing these feelings I realized that it was actually a part of me I was trying to repress all along for fear of shame from the outside world Starting with the first time I sucked cock in a motel to the two or three times I sucked dick after that and the many times after THAT I m no stranger to the myriad of emotions accompanying the actual experience I m NOT a stranger to the sheer rush I got from submitting to another man especially with a lady witnessing it all a lady that I was dating a while ago to be frank I m not a stranger to the guilt trips my self experienced as well post my first few encounters clearly a case of me not being comfortable with revealing who I was at my deepest levels and I offer tips to remedy this sort of thing in this manual And given I ve worked past all this this manual is an attempt an honest attempt to bring cuckolding out in the open along with providing workable TIPS for BOTH partners to make the relationship last at a deep and satisfying level for the long term Once you go cuckold you truly never go back and you ll understand what I mean when you start implementing the tips in this manual and watch your

satisfaction with your sex life SOAR to levels hitherto unimaginable Grab it now **PENIS WORSHIP - the COMPILATION!** Mike Watson, My world famous series on penis worship Literally NOTHING like these books out there that have brought truly life changing results to those that love to suck cock or worship it otherwise and get in touch with their inner woman Wait a minute did I just say that yes I did but there s more This course is by no means just for men it is for WOMEN too Both men women and trans or inbetween or whatever you classify yourself as I ain t a huge believer in labels can and SHOULD benefit IMMENSELY from this book BDSM lovers will love this but it applies equally to those interested in regular vanilla if there is such a thing hehe sex These two courses will teach you to worship cock beyond your wildest dreams and fantasies and your sex life will NEVER be the same again reading and implementing what I teach you in this book And lest you thought it was was just tips and tricks Nay You ll learn all about different TYPES of penise too and the best ways to worship each type Get this now my friend Best Mike Watson PS Here are but SOME of the benefits off the top of my head If you re a dominant STUD Much like if you re a dominant lady you ll learn how to have your CAKE and EAT IT TOO both sexually and otherwise Experience the sheer RUSH that comes from being worshipped as a true ALPHA male a man that is the BOSS in every which way Believe me when you need to piss and have someone hold your cock for you as you do it the sheer MENTAL aspect of this and just how deliciously dominant you feel cannot be duplicated by anything else True submission is about your WASTE matter being treated like NECTAR and as you piss in a bottle or glass as he holds it humbly looking on at your magnificent organ releasing its precious PEE you ll feel a rush like never before Experience the delights of cock and ball and ass worship like you never ever have before Your cum is precious and as you unload on him each moan of pleasure from a truly satisfied REAL MAN with a MAGNIFICENT and SUPERIOR COCK will remind you that your cum deserves to be treated like the gold it is and the sheer rush you ll experience is beyond belief You ll have TWO people worshipping you one the lady and if you re straight this alone will be enough and two a servant that exists only to serve YOU Take your male dominated or cuckold bull relationship to new levels altogether Learn about parts of the male body you didn t even know existed and the exquisite pleasure you can get from said parts and more Submissives and vanilla cock worshippers Cock worship is a submissive activity even if you re not into BDSM and that sheer RUSH that sheer feeling of SERVICING HIM and of course the way he REACTS when you slobber on his dick is what makes it all worth it along with the SIGHT of the dong And when you worship each cock in a different manner or slightly different manner then you ll see cocks up front and close in all their glory and their pleasure will be yours too x 10 Take the submissive vibe to the next level enough said They talk about looking the person in the eye when sucking dick Well that might be good But in this course you ll learn that talking to his dick not him is really the way to do it you ll be looking at his third eye more than anything else boy or girl How to give him pleasure and satisfaction like never before Paying attention to a man s dick as I teach you here is one of the best ways to win his heart over or his dominance trust me on this or both And loads more Grab this now my best ever

**The Commerce of Peoples** Biman Basu, 2012-03-15 Representations and coverage of S M have become quite common nowadays whether we see them in the fashion industry commercials the news on television film the internet and so on But in the population at large and in the academic community too it is still persistently stigmatized This marginalization along with its ambivalently persecuted status is a result significantly of a nineteenth century legacy This legacy begins with Kraftt Ebing's designation of sadomasochism along with gay and lesbian desire as a perversion and continues in the popular and expert mis understandings which prevail More generally most people today will recognize that all human relations are power relations Yet most people will also deny this and mask these power relations by invoking all sorts of things like romantic love sentimental attachment companionate marriage friendship peace non violence harmony and the list goes on ad nauseam Not that these do not exist in a sadomasochistic relation but sadomasochists are unflinching in their recognition that all of these are also permeated by power relations It is not only impossible to purge these relations of power but for sadomasochists it is also undesirable to do so It is not only more honest to acknowledge the power that saturates these relations but also more instructive in the sense that S M provides a context in which one learns to exercise power and to submit to it in a responsible way Even in scholarly critical and theoretical discussions of S M the prevailing opinion is that the power exercised in sadomasochism is not real It is of course not real in the sense that slavery and violence no longer has a legal status But reality cannot of course be gauged or even approximated by its legal status alone For most practitioners it is hard to deny the reality of pain of humiliation of degradation in the moment of its enactment One can hardly deny the reality of bringing the whip down on someone's back or of having it sear across one's buttocks
