Perfect Love, Imperfect Relationships John Welwood, 2005-12-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world

Perfect Is Boring (And It Tastes Like Kale) Jess Johnston, 2025-02-04 What if we accepted our struggles and stopped trying to be someone we're not In this poignant hilarious book the bestselling co author of I'll Be There But I'll Be Wearing Sweatpants shares her experiments in finding our way back to each other Jess Johnston used to feel alone in her mess Then in a random burst of

courage she started sharing those insecurities and struggles out loud and what she found shocked her Again and again women replied Me too I thought I was the only one Women are really hard on themselves We often believe that if we just did better worked harder and were less messy flawed human our lives would be infinitely better and we d receive the belonging we crave but the exact opposite is true It isn t our lack of perfection that isolates us rather it s our authenticity about our imperfections that brings us together With honesty heart and humor Johnston takes on the lies she s believed and the lessons she s learned and is still learning including if I m rejected I will die We won t I m a junior varsity adult and the best spot for me is usually the bench Nope we ve got to get in there and play my job is to keep people happy and make sure they like me Excuse me while I go hide in my closet and have an anxiety attack Jess Johnston reminds us that the answers are in us already in accepting that we re a lot a lot of mess and a lot of great too Godless Dan Barker,2008-09-01 One man shares the story of his transformation from evangelical Christian to atheist and examines the train of thought that brought him there After almost twenty years of evangelical preaching missionizing and Christian songwriting Dan Barker threw out the bathwater and discovered that there is no baby In Godless Barker describes the intellectual and psychological path he followed in moving from fundamentalism to freethought Godless includes sections on biblical morality the historicity of Jesus biblical contradictions the unbelievable resurrection and much more It is an arsenal for skeptics and a direct challenge to believers Along the way Barker relates the positive benefit readers will experience from learning to trust in reason and human kindness instead of living in fear of false judgment and moral condemnation Advance Praise for Godless Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition This book is a classic example Christopher Hitchens author of God is Not Great The most eloquent witness of internal delusion that I know a triumphantly smiling refugee from the zany surreal world of American fundamentalist Protestantism is Dan Barker Richard Dawkins author of The God Delusion Godless was a revelation to me I don t think anyone can match the devastating clarity intensity and honesty which Dan Barker brings to the journey faith to reason childhood to growing up fantasy to reality intoxication to sobriety Oliver Sacks author of Musicophilia In Godless Barker recounts his journey from evangelical preacher to atheist activist and along the way explains precisely why it is not only okay to be an atheist it is something in which to be proud Michael Shermer publisher of Skeptic Magazine Godless is a fascinating memoir and a handbook for debunking theism But most of all it is a moving testimonial to one man s emotional and intellectual rigor in acclaiming critical thinking Robert Sapolsky author of Why Zebras Don t Get Ulcers Kiss the Bride Melissa McClone,Robin Lee Hatcher,Kathryn Springer,2016-05-31 Meet the people who make it all happen the photographers chefs and the writers who have helped orchestrate and document the perfect day for countless couples as they find their own happy endings in three sweet novellas Picture Perfect Love A June Wedding Story by Melissa McClone When image becomes everything it s up to love to refocus the heart Photographer Jenna Harrison wants every bride and
