The Peacekeeping Economy Lloyd J. Dumas,2011-01-01 The idea that military strength is virtually synonymous with security is deeply entrenched and widely held But while the threat or use of military force may sometimes be necessary it cannot keep us as safe as we would be by building relationships that replace hostility with a sense of mutual purpose and mutual gain Economic relationships says Lloyd J Dumas can offer a far more effective and far less costly means of

maintaining security After defining the right kind of economic relationship one that is balanced and nonexploitative emphasizes development and minimizes environmental damage Dumas then addresses some practical concerns in establishing and maintaining these relationships He also considers the practical problems of the transition from military based security arrangements to economic peacekeeping and the effects of demilitarized security on economic development and prosperity

Mortality and Faith David Horowitz, 2019-05-21 Mortality and Faith is the second half of an autobiography of David Horowitz whose first installment Radical Son was published more than twenty years ago It completes the account of his life from where the first book left off to his seventy eighth year In contrast to Radical Son whose focus was his political odyssey Mortality and Faith was conceived as a meditation on age and on our common progress towards an end which is both final and opaque These primal facts affect all we see and do and force us to answer the questions as to why we are here and where we are going with conjectures that can only be taken on faith Consequently an equally important theme of this work is its exploration of the beliefs we embrace to answer these questions and how the answers impact our lives
