Quality Matters Robert Schwartz, John Mayne, 2005-01-01 Contributors are from Australia Canada the European Union France the Netherlands New Zealand Sweden Switzerland United Kingdom United States and the World Bank They examine and analyze practices for assuring the quality of evaluation performance auditing and performance

reporting in the face of political organizational and technical obstacles A final chapter addresses the extent to which quality assurance systems become bothersome rituals or remain meaningful mechanisms to ensure quality control This well defined volume will be of particular interest to policymakers and adds much to the literature on program evaluation and performance auditing

Public Sector Accounting, Financial Accountability and Viability in Times of Crisis Giovanna Dabbicco,Marco Bisogno, Josette Caruana, Johan Christiaens, 2022-09-06 This book examines the implications of the Covid 19 pandemic for public sector accounting and finance It provides a holistic overview of government initiatives to navigate the pandemic focusing on how government policies and related spending have affected the budgetary process the disclosure of information and transparency as well as the importance of accounting technologies and operating systems in times of crisis The book shows how government economic interventions have been crucial in counteracting the financial consequences of the global pandemic and emphasizes the importance of accountability It will appeal to students and scholars of public policy public administration and finance as well as policymakers and public managers responsible for public sector financial and budgetary reporting of public administrations

Specialized Administrative Law of the European Union Herwig C. H. Hofmann, Gerard C. Rowe, Alexander H. Türk, 2018-11-30 This volume deals with the law governing the administrative implementation of European Union public policy Much of this law is specific to individual policy sectors The volume provides a study of such specialized administrative law for more than twenty sectors This cross sectoral approach allows for detailed comparisons of EU administration in diverse policy fields It identifies situations where legal structures and approaches may be unnecessarily duplicated thus indicating where a comprehensive general system could be advantageous for both Union law and policy achievement The comparative nature of the study also draws attention to policy fields which have proven to be testing grounds for approaches adopted subsequently in other areas In addition the work highlights the distinctive highly networked and strongly cooperative character of EU administration as a reflection of and a foundation for the operative nature of the European Union as a whole
