Personal Connections in the Digital Age Nancy K. Baym, 2015-08-04 The internet and the mobile phone have disrupted many of our conventional understandings of ourselves and our relationships raising anxieties and hopes about their effects on our lives In this second edition of her timely and vibrant book Nancy Baym provides frameworks for thinking critically about the roles of digital media in personal relationships Rather than providing exuberant accounts or cautionary tales it offers a data grounded primer on how to make sense of these important changes in relational life Fully updated to reflect new developments in technology and digital scholarship the book identifies the core relational issues these media disturb and shows how our talk about them echoes historical discussions about earlier communication technologies Chapters explore how we use mediated language and nonverbal behavior to develop and maintain communities social networks and new relationships and to maintain existing relationships in our everyday lives The book combines research findings with lively examples to address questions such as Can mediated interaction be warm and personal Are people honest about themselves online Can relationships that start online work Do digital media damage the other relationships in our lives Throughout the book argues that these questions must be answered with firm understandings of media qualities and the social and personal contexts in which they are developed and used This new edition of *Personal Connections in the Digital Age* will be required reading for all students and scholars of media communication studies and sociology as well as all those who want a richer understanding of digital media and everyday life

Iranian Romance in the Digital Age Janet Afary, Jesilyn Faust, 2021-01-28 Following the 1979 Islamic Revolution there was a dramatic reversal of women s rights and the state revived many premodern social conventions through modern means and institutions Customs such as the enforced veiling of women easy divorce for men child marriage and polygamy were robustly reintroduced and those who did not conform to societal strictures were severely punished At the same time new social and economic programs benefited the urban and rural poor especially women which had a direct impact on gender relations and the institution of marriage Edited by Janet Afary and Jesilyn Faust this interdisciplinary volume responds to the growing interest and need for literature on gender marriage and family relations in the Islamic context The book examines how the institution of marriage transformed in Iran paying close attention to the country s culture and politics Part One examines changes in urban marriages to new forms of cohabitation In Part Two contributors such as Soraya Tremayne explore the way technology and social media has impacted and altered the institution of family Part Three turns its eye to look at marital changes in the rural and tribal sectors of society through the works of anthropologists including Erika Friedl and Mary Hegland Based on the work of both new and

established scholars the book provides an up to date study of an important and intensely politicized subject New Jazz Conceptions Roger Fagge, Nicolas Pillai, 2017-06-26 New Jazz Conceptions History Theory Practice is an edited collection that captures the cutting edge of British jazz studies in the early twenty first century highlighting the developing methodologies and growing interdisciplinary nature of the field In particular the collection breaks down barriers previously maintained between jazz historians theorists and practitioners with an emphasis on interrogating binaries of national local and professional amateur Each of these essays questions popular narratives of jazz casting fresh light on the cultural processes and economic circumstances which create the music Subjects covered include Duke Ellington s relationship with the BBC the impact of social media on jazz a new view of the ban on visiting jazz musicians in interwar Britain a study of Dave Brubeck as a transitional figure in the pages of Melody Maker and BBC2 s Jazz 625 the issue of liveness in Columbia s Ellington at Newport album a musician and promoter s views of the relationship with audiences a reflection on Philip Larkin Kingsley Amis and Eric Hobsbawm as jazz critics a musician s perspective on the oral and generational tradition of jazz in a British context and a meditation on Alan Lomax s Mr Jelly Roll and what it tells us about cultural memory and historical narratives of jazz Smartphone Addiction, Phone Snubbing, and Effects on Interpersonal Relationships and Mental Health Chandan, Harish Chandra, 2025-04-09 In today s digitally connected world smartphone addiction has become a pervasive issue impacting interpersonal relationships and mental health As people become dependent on their devices the constant stream of notifications and social media interactions often leads to phone snubbing an act where individuals prioritize their phones over face to face communication with those around them This behavior diminishes the quality of relationships while contributing to feelings of isolation anxiety and depression The constant need for digital validation and the fear of missing out FOMO have created a cycle of dependence that interferes with meaningful human connections and personal well being As smartphone use continues to dominate daily life understanding the psychological effects of these behaviors and finding ways to balance digital communication with authentic in person interactions is crucial Smartphone Addiction Phone Snubbing and Effects on Interpersonal Relationships and Mental Health explores the psychosocial factors that lead to problematic use of technology It examines the potential risk factors for pathological smartphone use connections between social media addiction FOMO personality traits and phubbing behaviors and effects on interpersonal relationships and mental health This book covers topics such as digital communication phone addiction and social media and is a useful resource for computer engineers sociologists psychologists data scientists academicians and researchers **The Cambridge Handbook of Personal Relationships** Anita L. Relating Through Technology Jeffrey A. Hall, 2020-07-16 This book answers one of the most critical questions of our time does the vast connectivity afforded by mobile and social media lead to more personal connection with one another It offers an evidence based account of the role of technology in close relationships that confronts such pressing questions as where face to face communication belongs in this digital age whether social media is harmful to our well being and how online communication spills over into our offline communication and relationships Each chapter explores the positive and negative influences of media on relationships coalescing into a balanced assessment of how technological advancement has altered our connections with each other By zeroing in on communication with the most important people in our lives and tracing the changes in computer mediated communication over time Relating Through Technology focuses the conversation about media on its use in our everyday lives and relationships

Sociology of Personal Life Vanessa May, Petra Nordqvist, 2019-01-25 What can sociology tell us about our personal lives families and intimate relationships This book explains how key theoretical perspectives and relevant contemporary research in the discipline can shed new light on even the most familiar areas of our everyday worlds From friendships and pets to political engagement and social legislation the text shows how distinctions and connections can be drawn between our public and private lives Each chapter explores a familiar topic that illustrates how individual relationships and lives can be shaped by social contexts and how personal choices shape the wider social world Using vivid case examples drawn from topical areas of

debate such as marriage rights and the role of social networking the book is clearly laid out and easy to read It gives useful explanations of theory and invaluable advice on how to carry out research on personal lives and relationships This is essential reading for students of sociology interested in family relationships and beyond New to this Edition Pre existing chapters have been fully re written Includes a number of new chapters on topics such as the body home and personal life in public spaces Reformulated questions for discussion at the end of each chapter *Monitored* Peter Bloom, 2019-01-20 Our contemporary age is confronted by a profound contradiction on the one hand our lives as workers consumers and citizens have become ever more monitored by new technologies On the other big business and finance become increasingly less regulated and controllable What does this technocratic ideology and surveillance heavy culture reveal about the deeper reality of modern society *Monitored* investigates the history and implications of this modern accountability paradox Peter Bloom reveals pervasive monitoring practices which mask how at its heart the elite remains socially and ethically out of control Challenging their exploitive accounting power Bloom demands that the systems that administer our lives are oriented to social liberation and new ways of being in the world Networks, Hacking and Media - CITAMS@30 Barry Wellman, Laura Robinson, Casey Brienza, Wenhong Chen, Shelia R. Cotten, 2018-11-27 Sponsored by the Communication Information Technologies and Media Sociology section of the American Sociological Association CITAMS this volume celebrates the section s thirtieth anniversary It looks at the history of the section reviews some of its most important themes and sets the agenda for future discussion

Personal But Not Private Stefanie Duguay, 2022 Privacy has become a pressing concern for many users of digital platforms who fear legal or social liability for sharing personal details online Yet for queer women and others an emphasis on privacy fails to reflect the creativity and struggles of everyday people seeking to represent themselves and form meaningful connections through social media *Personal but Not Private* explores how queer women share and maintain their identities through digital technologies despite overlapping technological social economic and political concerns Focusing on representations of sexual identity through Tinder Instagram and Vine this volume uncovers how queer women are continuously engaging in identity modulation or the process through which people and platforms adjust or modify personal information to form relationships increase their social and economic participation and counter intersecting forms of oppression While queer women s representations of sexual identity give rise to publics and counterpublics through intimate and collective self representation platform specific elements like design and governance place limitations on queer women s agency and often make them targets of censorship harassment and discrimination This book also considers how identity modulation can be applied to a range of people negotiating digital contexts and promotes tangible changes to digital platforms and their broader social economic and political structures to empower individuals and their personal sharing on social media Bringing together personal interviews and empirical research *Personal but Not Private* offers a new lens for examining digitally mediated identities and highlights how platforms act as complicated sites of transformation
