Current Topics in Structural Geology P. L. Hancock,2013-08-29 Current Topics in Structural Geology is a collection of invited papers on particular topics of interest in structural geology from field based problems on the scale of terranes to microstructures in nature and experiment Contributors also explore earthquake faulting S C mylonites tectonics and hydrogeology of accretionary prisms deformation mechanisms transparent polycrystals shape and lattice preferred orientations and mushroom shaped diapirs This text is comprised of 13 chapters the first of which introduces the reader to shallow crustal earthquakes and the structural geology of fault zones The first chapter also

emphasizes the seismogenic regime strike slip earthquake rupture processes structural questions posed by seismology and mesothermal gold quartz lodes hosted in steeply inclined shear zones of mixed brittle ductile character Discussion then turns to normal faulting in the upper continental crust along with the application of a method based primarily on fault slip data analysis to determine paleostress in terms of orientation and magnitude The mechanical behavior and deformation textures of simulated halite shear zones are considered with special regard to the internal structures of S C mylonites and their mechanical implications The remaining chapters examine the role of decollement zone in the tectonics and hydrogeology of accretionary prisms synkinematic microscopy of transparent polycrystals and the origin of metamorphic core complexes and detachment faults formed during Tertiary continental extension in the northern Colorado River region This book is intended primarily for students and practitioners of structural geology

Writing Through the Year Sandy Woolley, 2005 Keep this guide on your desk because you ll use it every day of the school year to guide your students to writing competence Each month includes sample daily sentences for primary and upper grades journal writing topics a variety of lessons for developing writing skills in a developmental fashion poetry to memorize poetry to write and vocabulary development based on root words and prefixes This is a comprehensive outline for building writing skills one day at a time Book jacket

Improving Writing Susan Davis Lenski, 2004-02-11 A practical professional resource with a focus on literacy Includes strategies and activities to help students student and teacher assessments student worksheets transparency masters teacher and student examples and technology tips

Using Journals With Reluctant Writers Scott Abrams, 2000-05-11 I loved the book and the soulful responses it generated from my reluctant writers Dee Conklin Ph D Teacher Reno Sparks Indian Colony Reno NV This journal program is authentic and gets students to write Because the journal topics reflect current issues my students respond positively And I get great insight into their lives Carol Popowich Resource Teacher Marshall Alternative High School Bend OR This is a book that is sorely needed I m impressed with the mature way the topics are presented to the students Rob Owens Teacher Washburn Rural High School Topeka KS This is one of the best books I have seen on topics for writing All students could benefit from this not just the reluctant writer Carol Miller Intervention Specialist Mineral Ridge High School Mineral Ridge OH Inspire your students to communicate and reflect through writing Using Journals With Reluctant Writers is an effective language arts tool for teachers especially those who teach at risk alternative and special education students Designed to inspire even the most reluctant writers journal topics are followed by non revealing non threatening exercises to introduce writing as a means of expression and to allow students to test teacher reactions Positive teacher responses then encourage students to move on to material that require more personal reflection and further elaboration Whether using the journals for daily practice or weekly assignments teachers can effectively lead students through critical thinking self discovery and ultimately more relevant and proficient writing Each chapter begins with a topical thought provoking quote and concludes with suggested videos and related readings that can be used for more

comprehensive assignments Using Journals With Reluctant Writers also assists teachers and students in creating a complete language arts portfolio Highlights of this teacher s guide include Topical chapter opening quotes that instill deeper self reflection Multiple questions for each topic to encourage more in depth responses Suggested readings for more comprehensive assignments Suggested videos for each journal topic students relate well to videos Flexible format for daily entries or weekly assignments 45 journal topics for weekly assignments throughout the academic year An essential resource for any teacher who wants to motivate students to write well and write often while thinking critically about their own lives and choices

The Foundations of EU Data Protection Law Orla Lynskey,2015 Nearly two decades after the EU first enacted data protection rules key questions about the nature and scope of this EU policy and the harms it seeks to prevent remain unanswered The inclusion of a Right to Data Protection in the EU Charter has increased the salience of these questions which must be addressed in order to ensure the legitimacy effectiveness and development of this Charter right and the EU data protection regime more generally The Foundations of EU Data Protection Law is a timely and important work which sheds new light on this neglected area of law challenging the widespread assumption that data protection is merely a subset of the right to privacy By positioning EU data protection law within a comprehensive conceptual framework it argues that data protection has evolved from a regulatory instrument into a fundamental right in the EU legal order and that this right grants individuals more control over more forms of data than the right to privacy It suggests that this dimension of the right to data protection should be explicitly recognized while identifying the practical and conceptual limits of individual control over personal data At a time when EU data protection law is sitting firmly in the international spotlight this book offers academics policy makers and practitioners a coherent vision for the future of this key policy and fundamental right in the EU legal order and how best to realize it

Show Me the Money Chris Roush,2016-06-10 Show Me the Money is the definitive business journalism textbook that offers hands on advice and insights into the job of a business journalist Chris Roush draws on his experience as both a business journalist and educator to explain how to cover businesses industry and the economy as well as where to find sources of information for stories and how to take financial information and make it work for a story Updates to the third edition include Inclusion of timely issues related to real estate Additional examples from websites and other nontraditional business media such as BuzzFeed and Quartz Tips from professional business journalists including Andrew Ross Sorkin of The New York Times and Jennifer Forsyth of The Wall Street Journal Essential for both undergraduate and graduate courses in business journalism and professional business journalism newsrooms Show Me the Money is a must read for reporters editors and students who want to learn the ins and outs of how to cover public and private companies Additional materials including a sample syllabus and additional links and tips for students can be found at <https://www.routledge.com/products/9781138188389>
