

Appreciation To Teacher.

My life was indifferent and fear for the light because
I felt the world is a scary and mean place to live.
I use to keep my head down
and fights for running away every possible challenged,
But I never thought I can break the walls and touch the sky
Until you came in my life with inspiration and encourage
This is not a think I exaggerated but all it happed while you
haven't realized.
Some time in life I feel whole world chasing me.

My heart runs out of hope.
And dreams I have been searching for can't existed any more
But one thing you may found can bring you back on the stage.
At one point you help me to gather my dreams let the light shine in me.
It came so hard for me when I realize I can't have you any more,
for being my teacher and my adviser
Then my soul spoke to me and told me
It is the way life works.
But the only thing I have right now is
to pray to God that one day we will meet some where.
Until then you will always be part of my previous members

that I kept at the bottom of my heart.
Best teacher, best human being and the best of the best I ever met.
