

Celebrate My Life

Remember me with love and joy,
Let gratitude fill your heart.
Thankful for the time we had,
Gone...yet not apart.

If we measured life in moments,
Not in months or years,
I lived a hundred lifetimes,
Loved by all who hold me dear.

I hope you'll find your smile,
And generously speak my name.
Share stories and my heart,
Your love for life unchanged.
Celebrate the life I lived,
I will be watching from above.
I am always with you,
Sending you my light and love.

Poems of Love, Struggle, and Change Merredith F. Perkins, Ph.D.,2019-02-26 Poems of Love Struggle and Change By Merredith F Perkins Ph D If someone had said to her twenty five years ago that she would be living the life she s living Merredith F Perkins Ph D would have questioned his or her sanity She would have been an ardent disbeliever The fortune of writing was bestowed upon her a long time ago but she did not know that twenty five years of reflective writing and her poems would show up in a book at this stage of her life In her golden years Dr Perkins is writing and sharing her poetry with the public to show that we all have a lot in common and that we all stumble humbly through our life s journey In taking stock of her life and understanding a little bit of what her life has been for she is learning that the puzzle pieces were being laid on a path long before she arrived at that path Poems of Love Struggle and Change is a collection of poetic expressions on topics about love in relationships struggling with expressions of self awareness and engaging in the friction of self discovery as a way to gauge internal and external explorations as life unfolds

Poems of a Time in My Life. Johnny Wilson,2015-05-15 Living in the back of my store some gene turned on in my brain and poems began to flow All though my thoughts were not poems but thought provoking words Only later when reviled to people that they would say Oh you are a poet Or you did not write this Then gathered enough courage to go to a coffee houses and read Discovered people liked them Writing every day about what was seen or felt My first paid gig was writing for bartenders and getting free drinks

written by Mr Lohman to provide good feelings on an event you have recognized or will recognize at some point in your life The poems include messages about nature family reflections on life sports and even politics Mr Lohman being a Christian often included the potential involvement of God in these events The last small group of poems describes the thoughts an 89 year old might have about approaching the hereafter This he speaks from personal experience Many of the poems are structured in the pleasing sonnet format and its enjoyable rhythm A second characteristic of Mr Lohman s writing was the use of rhyming when appropriate This rhyming rhythm enhanced by selected comma use made writing poetry mentally challenging but always left a good feeling about the message The poems included here were all produced in the last 24 months of Mr Lohman s life following his family s recovery from a major disaster Hurricane Harvey in August 2017 destroyed the entire interior of their home However these poems represent not two years but a lifetime of experiences thoughts and observations he has encountered during his 89 years Clearly in many instances his thoughts included messages led by God to whom he gives all the credit for this book of poems *Poems* William Leighton,1870 *Great Short Poems* Paul Negri,2012-02-29 Outstanding anthology features more than 150 English and American masterpieces spanning over 400 years Death Be Not Proud The Tyger I Wandered Lonely as a Cloud plus works by Tennyson Whitman Dickinson Yeats Frost others *Poems of Coleridge* Samuel Taylor Coleridge,1905 **A Walk Through My Life** Linda Kay,2009-03-31 Writing is a huge part of my life It allows me to express my emotions throughout the difficulties we all experience in our lives I have had several poems published through some of the online poetry sites and have been fortunate to be blessed with this ability I enjoy being able to put into words the feelings I have and then allow those feelings to flow from the page to the reader When they connect with me to the point of being able to see hear or feel what I have written then I have accomplished what I set out to do The Queen of the Fairies (a Village Story), and Other Poems Violet Fane,1876
