The Children's Literature Selection Handbook, K-8 Christie Kaaland, 2025-08-21 Offering future school librarians teachers and working librarians an alternative to lengthier textbooks on children's literature this engaging book introduces readers to the most important genres and current conversations in the field while leaving them time to read children's literature directly As school librarian and teacher certification programs become more abridged students require succinct textbooks that still provide a valuable introduction to the field Working librarians need reference books that allow them to make good selections for their collections Students and professionals will appreciate The Children's Literature Selection Handbook K 8 because it offers a needed overview of the field while allowing for plenty of time to read children's literature Author Christie Kaaland's conversational tone speaks directly to readers and the book offers students a pathway to engage with literature directly and effectively scaffold their learning Beginning with an introduction to standard literary fiction genres including a discussion of literature trends and children's reading interests and needs the chapters turn to the most important genres fiction biography folk literature picture books informational texts poetry and graphic novels A focus on book series a deep discussion of graphic novels the inclusion of global literature and review sources for selection and information on publishers and the publishing industry set this timely book apart from others in the field Reader voices add perspective and charm This compact and engaging book is the perfect companion to the vast wealth of children's literature that future teachers and school librarians will read during their professional preparation and share with children and youth as working librarians

The Songs We Know Best Karin Roffman, 2017-06-13 The first biography of an American master The Songs We Know Best the first comprehensive biography of the early life of John Ashbery the winner of nearly every major American literary award reveals the unusual ways he drew on the details of his youth to populate the poems that made him one of the most original and unpredictable forces of the last century in arts and letters Drawing on unpublished correspondence juvenilia and childhood diaries as well as more than one hundred hours of conversation with the poet Karin Roffman offers an insightful portrayal of Ashbery during the twenty eight years that led up to his stunning debut *Some Trees* chosen by W H Auden for the 1955 Yale Younger Poets Prize Roffman shows how Ashbery's poetry arose from his early lessons both on the family farm and in 1950s New York City a bohemian existence that teemed with artistic fervor and radical innovations inspired by Dada and surrealism as well as lifelong friendships with painters and writers such as Frank O'Hara Jane Freilicher Nell Blaine Kenneth Koch James Schuyler and Willem de Kooning Ashbery has a reputation for being enigmatic and playfully elusive but Roffman's biography reveals his deft mining of his early life for the flint and tinder from which his provocative later poems grew producing a body of work that he calls the experience of experience an intertwining of life and art in extraordinarily intimate ways
